COLUMBIA VALLEY

For more than twenty centuries, torrential floodwaters from melting ice-age glaciers sculpted eastern Washington's Columbia Valley leaving in their wake deep deposits of sandy, rocky, alluvial soils. Today, framing the Columbia River, broad plains of ancient sediment constitute one of the world's finest wine grape growing regions.

Gravel Bar was established in 1985 with a mission, to deliver quality Washington wines at an affordable price that anyone can enjoy. Situated in the heart of the Columbia Valley, Gravel Bar has access to the great Columbia Valley American Viticultural Areas (AVAs). Because of this Gravel Bar has been able to fulfill its mission of providing quality Washington wines at an affordable price.
