

# HARASZTHY FAMILY CELLARS

## BEARITAGE CABERNET SAUVIGNON 2017

### Vineyard Notes:

2017 rains began in January and increased in February. The wet weather continued on and by June the ground was soaked. Flood conditions were evident in several vineyard locations. The vineyards seemed to welcome the showers since the previous 5 years were hard drought. Despite all the soaking, harvest was down about 25% from the previous year.

### Winemaker Notes:

Striking beautiful crimson-deep ruby color. As the bouquet develops in the glass, flavors of black cherry, chocolate, and black pepper come together nicely. This wine is well balanced and a terrific value.

### Food Pairing Suggestions:

Pasta with red meat sauce. Grilled New York steak with garlic mashed potatoes. Leg of lamb. Sautéed salmon and blue cheese wedge salad. A Brontosaurus burger made to your own specs.
