

HARASZTHY FAMILY CELLARS

BEARITAGE GYPSY ROSÉ 2017

Vineyard Notes:

The 2017 vintage threw us a curve . Winter and Spring rains led to leaf canopy management to avoid mildew caused by vigorous leaf growth. The summer was uncommonly hot with extended heat spikes that lasted weeks. The overall quality was excellent but yields we down close to 20% versus the previous year.

Winemaker Notes:

This 2017 Bearitage Rosé wine is our first offering of this wonderful style of wine. The wine is dry with a beautiful, lighter than usual, soft pink tint. We make the wine using minimal skin contact to ensure the light color extraction. The wine is delicious and best served very chilled.

Food Pairing Suggestions:

Nice compliment to BBQ pork loin roast, leg of lamb, salmon or shellfish dishes.
