*One Passion, One Blend.*™

### VINEYARD NOTES:

The mysterious Pacific Rim encompasses countries encircling the Pacific Ocean, each with its own intrigue — lost civilizations, mythical creatures, mysteries all. This region stretches from the jungles of eastern Asia and their Komodo Dragons to our own western shores. For more than twenty centuries, torrential floodwaters from melting ice-age glaciers sculpted Washington’s Columbia Valley, leaving in their wake deep deposits of sandy, rocky, alluvial soils. Today, framing the Columbia River, broad plains of ancient sediment constitute one of the world’s finest wine grape growing regions. There is no mystery to the magic of Columbia Valley and its wines.

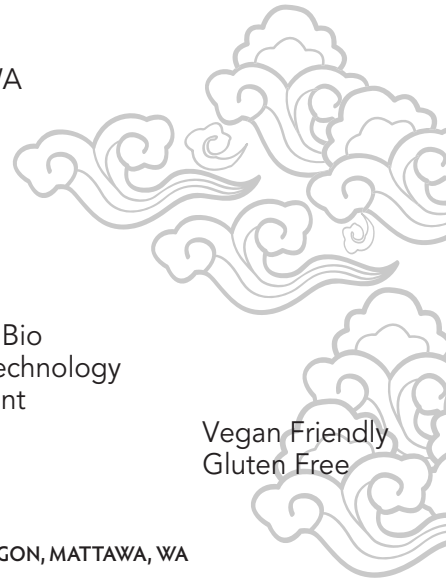

### WINEMAKER NOTES:

Full bodied with vibrant flavors of black cherry, plums, and hints of savory herbs. Full, round mid palate that leads to a fruit driven finish.

### SUGGESTED FOOD PAIRINGS:

Roast duck, stuffed pork tenderloin, roast leg of lamb with rosemary and garlic, smoked ham with Komodo Dragon Red Blend reduction sauce.
