2014 SONOMA COUNTY *Top Rail Red Wine*

Picket Fence wines grew out of a desire to create handcrafted wines that reflect the awe-inspiring appeal of Sonoma County's Russian River and Alexander Valleys. This spectacular region is a place of unparalleled beauty with unique growing conditions and vineyards. It is the coolest appellation in Sonoma County with diverse soils and microclimates owing to its tumultuous geological history.

TASTING NOTES

This wine has classic Cabernet characteristics of cassis, cherries and hints of leather and cocoa powder. French and American oak combine vanilla and spice, creating a foil for the blackberry and plum fruit flavors and a round, flavorful finish. Pair with grilled grass-fed beef or bison or try with aged and semi-hard cheeses, pistachios and walnuts.
