WINEMAKER NOTES

{Oak Vineyards}, Founded 1991

At {Oak Vineyards}, we grow fruit in the fertile, sunny California appellation, where grapes have the perfect microclimate, producing great wines for everyday enjoyment. At Oak Vineyards, our motto is "Have fun, life is short." From our fruit-forward Red Blend to our well-rounded Chardonnay, we craft wine with the philosophy of minimal winemaking intervention, let the grape do its thing! Crush it, ferment it, bottle it...Bam—great wine for everyday enjoyment! Our wines are approachable, food-friendly wines. We invite you to try a bottle today—let us know what you think!

TASTING NOTES:

Oak Vineyards Red Blend is rich in color with aromas of dark fruit, coffee and vanilla. A sip gives you flavors of cherry, blueberry and plum, along with smooth tannins on the finish.
