CALIFORNIA GROWN, VINTED, AND BOTTLED

CABERNET SAUVIGNON

Red Truck Winery is proud to be the first in the U.S. to feature a revolutionary twist-off cork, the Helix Closure. This revolutionary packaging is the result of a four year partnership between Amorim cork and O-I glass. Consumers now have the convenience of opening a bottle of wine without needing a corkscrew, all the while still taking advantage of highly sustainable cork and glass packaging.
