CALIFORNIA GROWN, VINTED, AND BOTTLED

RED WINE

Red Truck Winery is proud to be the first in the U.S. to feature a revolutionary twist-off cork, the Helix Closure. This revolutionary packaging is the result of a four year partnership between Amorim cork and O-I glass. Consumers now have the convenience of opening a bottle of wine without needing a corkscrew, all the while still taking advantage of highly sustainable cork and glass packaging.

Vehicle Diagnostics:

Dark jammy blackberry and blueberry aromas abound while hints of eucalyptus and black tea offer a beautiful beginning. With a smooth medium-body, this wine can be enjoyed with family and friends. Fill'er up and enjoy!
