Wine Spectator

"The Summers Estate Cabernet Sauvignon Napa Valley 2016 features an intense core of steeped loganberry and black currant fruit flavors, infused with singed apple wood, anise and licorice notes. Grippy but racy, with a flash of savory adding cut and energy to the finish. Best from 2021 through 2032"-J.M.

The Summers Estate Wines family makes their home and work in Calistoga, running this small family-style winery. Our lifestyle is about enjoying life: living in a small town and being involved in community activities, growing grapes and making premium quality wine, and relaxing when the opportunity presents itself.

Summers produces our exquisite and highly-rated Calistoga Napa Valley Cabernet Sauvignon from a blend of Cabernet Sauvignon grapes procured from several select vineyards in Calistoga, including the Summers' own Villa Andriana Vineyard. An all-occasion wine with generous dark flavored fruit and expansive, powerful, mouth feel! We're proud to bring you a wine that reflects the quality and care we've put into our own estate vineyards.
