GROVE RIDGE CALIFORNIA CABERNET SAUVIGNON

The Grove Ridge Cabernet Sauvignon opens with extreme, deepened hues and vibrant colors. Aromas include a romantic fusion of black currant, dry herbs, and slight earthiness. Dark berries and cherries accompanied by subtle spice lead to a smooth finish. This wine pairs well with marinated grilled tri-tip and vegetables, pasta dishes with marinara or Bolognese, as well as rich, creamy Brie or blue cheese.

The light, straw-yellow in hued Chardonnay begins with aromas of fresh apple and pineapple. Once tasted, these bright fruits lead to a creamy texture and balanced acidity. This Chardonnay pairs well with various cheeses such as Camembert and Gruyere. And it nicely complements salmon, chicken and fresh fruit salads.
