# MIURA VINEYARDS

**PINOT NOIR**  
Santa Lucia Highlands  
Rich but without being too fruit forward. Nicely balanced by fruit notes and a bright finish. This wine is made to be approachable in its youth, but retains the complexity and elegance associated with all Miura Pinot Noirs.

14.5% Alc  
Item No. 64200118

**PINOT NOIR**  
Anderson Valley  
Morning Dew Ranch  
The most "Burgundy-like" of all the Pinots made in California. Lighter, more fragrant and perfumed, with bright red fruit on the palate. As always, this wine continues to be a model of elegance and finesse.

13.5% Alc  
Item No. 64200016

**PINOT NOIR**  
Pisoni Vineyards  
Santa Lucia Highlands  
This Pinot has an intensity and richness unmatched by any other Pinot Noirs. A moderate amount of tannins give some refreshing grip to the mouth feel. Plenty of rain, a cooler spring and summer helped make this wine more firm and more well-balanced than usual.

**PINOT NOIR**  
Rochioli Vineyards  
Russian River Valley  
Lots of winter rain and a very warm summer produced fruit that was of average size and in good shape come harvest. All this came together to give us a wine that is full of expressive red and black fruit that seems to linger on the palate forever.
