@thelittlepenguin

the Little Penguin, the smallest of penguins, can be found along many parts of South Eastern Australia's coast. Known to be playful and social, they are the perfect inspiration for wines made with the same attitude. Our American made Cabernet Sauvignon and Chardonnay are crafted to appeal to everyone. Pour a glass and add a little fun to any occasion.

## CHARDONNAY

Tropical notes of pineapple with a crisp, clean finish.

Pair this wine with grilled chicken, any kind of seafood, or Brie Cheese.
