

CRANE LAKE®

ESTD 1994

RIESLING

Our Story:

There is no lake. Sometimes a crane comes by. But we liked Fred's drawing and it was free and our motto is "Every Penny to the Grape", and there you have it.

We are extravagant in our care for our grapes. We spare no expense in creating the optimal soil for our vineyards. We invest in the very latest, state of the art-real expensive-technology to craft a wine that is varietally correct with flavor and body. We call it Crane Lake, and as you know every penny to the grape.

Winemaker Notes:

This light-colored wine displays aromas of honeysuckle and orange blossom; flavors include green apple and peach; the finish is mildly sweet, crisp, and lingering.

Food Pairing Suggestions:

This wine is an excellent aperitif, yet it pairs well with a number of different foods. Try it with New England clam chowder, smoked salmon, Chinese chicken salad, roasted duck, or scallops in a cream sauce.
