

Champagne

Marquis de Bel Aires

My wife, Karine and I founded Didier Chopin Champagne in 1989 which was the start of a huge dream for us.

Today we have been joined in the business by our son and daughter and are proud that we go from strength to strength as we sell our Champagne around the world, picking up many accolades along the way.

We are situated in the village of Champlat between the important Champagne towns of REIMS and EPERNAY in the MARNE valley.

UPC: 081054004886

Tasting Notes

MARQUIS DE BEL AIRES Brut has been produced and blended exclusively for Vinum International/Bronco Wines and is a truly excellent effort.

Made from a blend of 40% PINOT NOIR and 60% PINOT MEUNIER grapes, this wine exudes class and finesse; after initial bottling the wines are stored on wooden laths for 3-5 years in order to develop its complexity and richness before final preparation and delivery.

On the nose, aromas of ripe fruits with toast and brioche overtones, whilst on the palate the fine, persistent bubbles dance over the tongue to produce a remarkable depth and length of the flavors' true gustatory sensation!!

Excellent to serve chilled as an aperitif or with rich desserts such as chocolate gâteau etc.

Please enjoy
Signed
Didier CHOPIN
