REGION: Friuli Grave  
ALCOHOL: 12%  
BLEND: 100% Pinot Grigio

#### VINIFICATION

We selected the best grapes from the hilly vineyards of Grave del Friuli in north-eastern Italy. Soft-crushed grapes and free-run must are processed at low temperatures. Clarification occurs at controlled temperatures between 57.2 - 59°F. The juice is filtered and fermented between 60.8 - 64.4°F. The wine is then stored underground in temperature-controlled tanks before bottling.

#### WINE

COLOR: Light straw yellow.

BOUQUET: Crisp stone fruit.

TASTE: Smooth and delicate, with hints of pear and apricot.

#### PAIRINGS

Ideal with grilled chicken, branzino, or arugula salad. Serve chilled.
