WINE PROFILE

Still climbing out of California's drought conditions, our 2021 Petite Sirah grapes were produced with lower yields, but exceptional quality.

The deep red and purple colors tease at the richness found in this wine. Bramble berries, plums, and vanilla burst through the nose, and mix with white pepper for explosive flavor. The tannins are strong, but not overwhelming, providing a long and warm finish.

PAIRING REC'S

This bold wine is best with foods that are strong enough to meet it in flavor. We like to drink it with smoked cheeses or roasted meats.
