MÉTHODE CHAMPENOISE BLANC DE ROSÉ CALIFORNIA SPARKLING WINE

The Longevity philosophy declares it is not just about the wines, but the experience. As wine is usually found shared in company, at the dinner table, at parties, and with friends, having the right bottle can make any gathering that much better. Our Blanc de Rosé is made with love in the traditional Méthode Champenoise process. Longevity Blanc de Rosé is the perfect wine to ensure LONG lasting memories.

TASTING NOTES: FROM WINEMAKER AND FOUNDER

 | Phil Long Sr.

“This delightful Blanc de Rosé exudes elegance and sophistication. On the nose, it offers a complex bouquet of ripe strawberries, raspberries, and black cherry, along with floral notes of rose petals and subtle vanilla highlights. On the palate, the Rosé is crisp and refreshing, with vibrant acidity that balances a hint of sweetness. The wine has a medium body and a silky texture that makes it easy to drink.”
