EST. 2008

Longevity wines are inspired by family, passion, and community. Our focus on quality drives our passion to create distinctive wines crafted from the heart. As we see it, life is about living, loving, and sharing great experiences with others. And what better way than with an exceptional bottle of wine.

2021 CABERNET SAUVIGNON CALIFORNIA

The Longevity philosophy declares it is not just about the wines, but the experience. As wine is usually found shared in company, at the dinner table, at parties, and with friends, having the right bottle can make any gathering that much better. Our Cabernet Sauvignon is made with love and is the perfect wine to ensure LONG lasting memories.

TASTING NOTES: FROM WINEMAKER AND FOUNDER

 | Phil Long Sr.

“Full-bodied red wine with rich and complex flavors. On the nose, it offers aromas of black cherry, cassis, and pomegranate, along with hints of vanilla, cocoa, and oak. On the palate, it delivers a smooth and balanced mouthfeel, with ripe tannins and refreshing acidity.”
