ABOUT US

Cogent University was born in 2010 with a mission to create the Next Generation of Software Developers that possessed the necessary technical skills required to succeed on the job.

In the last decade, Cogent University has transformed into a go-to L&D institution for creating skills ready talent well versed in JAVA and other emerging technologies. Our graduates are highly sought after by the Fortune 500, Public Sector, Large System Integrators and Start-ups.

Technology is transforming the way we learn, work and live. Cogent University is proud to be an industry leader in helping bridge the technical gap globally.

And, we're just getting started.
