FACE COVERINGS

In response to the CDC and federal government's recommendation that everyone wear a cloth face covering when they risk exposure to other people as they go about their lives, we have produced "retail ready" products that will address the surge in demand for this type of product. This deck goes into detail as to the product, its packaging, its retail display "PDQ" and case pack characteristics.

We at ProStandard, a long-standing MLB licensor, are happy to announce the roll-out of our "Home Team/ Home Town" collection of cloth face coverings. We offer a pre-arranged assortment for every one of the 30 MLB teams. In total there are 30 case pack offerings that will bring a luxurious team/town spirited cloth face covering to your counter in light speed.

All orders will be taken at the "CASE" level, each case will contain 2 retail ready PDQs. Each PDQ display will have 36 individual saleable units. Each saleable unit will have 2 pieces of 270 gsm x 2 layer printed poly interlock fabric face coverings with stretch style ear loops.

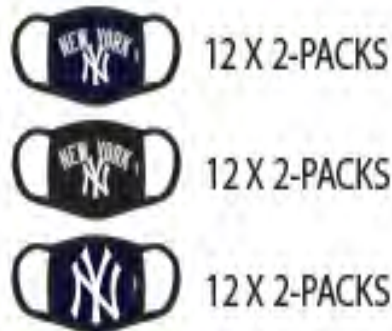

- Minimum order is 1 case per shipping address.
- Prices are delivered to destination address via UPS Worldwide Express.
- We typically ship within 2-3 days of receipt of an approved order.
- Time-in Transit is commonly 2-4 days to a continental US destination.
- Orders are processed on first-come-first-serve basis.
- We bundle the PDQs as follows:
