BIOGRAPHY

Ádám DÓRA was born in Vác (Hungary) in 1993. He lives and works in Budapest. He graduated in painting (MA) from the Hungarian University of Fine Arts in 2017. He was a mentee in the Budapest Art Mentorship Programme from 2019 to 2020.

The main body of his work, consisting primarily of acrylic and oil paintings on canvas, is developed in series, with one painting emerging from another. The artist plays with repetition and variation of recurring elements. The emergence of these motifs in new contexts creates a rich visual language that is potentially open to many interpretations. During his painterly practices of contemplation, Ádám Dóra searches for answers to the questions that fall within the realm of painting, while reflecting on our contemporary visual culture.

His first notable solo exhibition entitled ‚Chunky Steps‘ at Nagyházi Contemporary, Budapest (HU), was organised in 2021. He has participated in several group and duo exhibitions including ‚Explorers 3.0‘ at Budapest Projekt Gallery (HU), Esterházy Art Award Short List 2021 at Ludwig Museum, Budapest (HU), ‚Overlaps‘ with Rita Koszorús at Hegyvidék Gallery, Budapest (HU), ‚INSTA‘ at Nick Gallery, Pécs (HU), and ‚Summer Wine‘ at Einspach Fine Art & Photography Gallery, Budapest (HU).

In 2020 he received a special prize in the open call ‚Calling Across the Distance‘ at Emergent Art Space, San Francisco (CA), USA. He was shortlisted for the Esterházy Art Award 2021 (HU) and the Strabag Artaward International 2022 and 2023 (AT). In 2022 the artist created a permanent installation including a wall painting and three artworks on canvas at the Esterházy Castle in Eisenstadt (AT) for the NOW Esterházy Contemporary Collection. He also had a solo exhibition at Artkartell Projectspace, Budapest (HU).

In 2023 he was invited as resident artist to the Künstlerstadt Gmünd (AT) and to the Piramidón Centre di Arte Contemporani Barcelona (ES). In November 2023 he will present a solo show at Einspach Fine Art & Photography, Budapest (HU). In summer 2024 his works will be shown in Casa Estudio Granados, Mahón, Menorca (ES).

Ádám Dóra’s works appear in many private and public collections, such as the NOW Esterházy Contemporary (AT) and the Contemporary Collection of the Hungarian National Bank (HU).
