received education

In 2020, Shai Fund invested in **23 small businesses** and provided urgent medical treatment to nearly **30,000 people affected by COVID-19**.

650 refugees received educational, cultural, and integration support.

127 persecuted minorities and their families benefited from job creation.

Supplied essential equipment and aided with clean-up in hospitals and homes after the Beirut blast—**225** Lebanese households served.

Looking Ahead:

- Launch another **30 small businesses** for minorities and women at risk of trafficking and persecution.
- Provide protection for vulnerable people, trafficked victims, and child soldiers in the Middle East and North Africa.
