

## **Photography and video consent form**

Dear Sir/Madam,

During the normal course of its work, [insert name of your church] will at times use photographs or video recordings of members of the public, its employees or congregation to help explain or illustrate our work. We may record this information ourselves, or use a professional photographer or videographer to take photos or make videos on our behalf, for publication by or on behalf of [insert name of your church].

To comply with the [insert your country's legislation for data protection. For example in the UK it's the Data Protection Act (2018) and the new General Data Protection Regulation (2016)], we need to ask your consent before [insert name of your church] or agencies working on our behalf record any images of you. In view of this, please read the following statement and sign and complete the slip.

### **Statement:**

1. We may use your image in print and digital publications that explain the work of [insert name of your church]
