MINIFIGS ARE ON THE LOOSE!

Some of the LEGO minifigs from our debut exhibition *RELICS: Bricks of the New World* have escaped The Goods Shed in Claremont, and are looking for new land!

They've been spotted throughout Subiaco and it's up to you to find them.

Use the clues on this map to discover the bricks of their newest worlds, and be sure to follow the trail all the way to Scribblers Festival's Family Weekend at Subiaco Arts Centre on 8-9 May!

Intrepid Explorers can you decipher these cryptic clues below to find the escaped minifigs?

1
XENIA X77
Knowledge is power, hidden inside books and the data of a server tower.

2
DR. ASTRID
3,2,1 - Prepare for lift off! You'll find us making our new home between, beds, baths and books.

3
SIR OCTAGON
Discover a place where knights and dragon slayers are tucked inside the pages of a good book.

4
MS. AURORA FROST
Life exploring this Arctic Rectangle is cold but sweet. Look for me while you pick up a frozen treat.

5
SPIKEHEAD
Near the place we keep our money, you might discover a trail of sand, from the Beetle they've gone and built their very own new land.

6
TOM
Not quite in *Disguise*, you have to look up to find these guys.

7
RICKY ROLLO
Across the lane near the creature on the wall. He's promoting their new film with some signage big & tall.

8
MR. PHINEAS PHILAMENT
These minifigs like to keep it light, so they're building their new home near a lane, shining bright.

9
CLAUDE DEADLIFT
Roll up, roll up! In this place of performance, the world is a stage.

CAN YOU FIND THE 10TH WORLD?
Scribblers Festival's home is where this heart is. This world can only be found 8-9 May.
