FOR EXPLANATION OF ABBREVIATIONS AND REFERENCE MARKS REFER TO LAST PAGE OF TARIFF

Except as otherwise specifically provided, all rates and charges set forth in this tariff will be subject to an increase of 6.25% as follows: (See NOTES 1,2,3,4,5 and 6)

First determine the rate or charge which would apply except for this Supplement, then increase the rate or charge so determined as provided in this Supplement.

NOTE 1: Increases published in this Supplement will also apply to rates and charges issued subsequent to this Supplement, made subject to this Supplement, effective on date provided therein.

NOTE 2: Where a through rate is made by combining two or more factors, each is increased separately under the provisions of this item and the applicable through rate is the total of the combined factors.

NOTE 3: Where rates or charges are published in dollars and cents, apply the equivalent in cents.

NOTE 4: To determine a rate or charge increased under this Supplement, first determine the applicable rate or charge, then increase that rate or charge by 6.25%. To arrive at such increased rate or charge, multiply rate or charge by 1.0625. Fractions of less than ½ cent will be dropped. Fractions of ½ cent or more will be increased to the next whole cent.

NOTE 5: Rates made by addition or deduction of arbitraries:
Where a through rate for line-haul transportation is made by addition or deduction of an arbitrary, the provisions of this Supplement shall first be applied to the rate and to the arbitrary before the addition or deduction of such arbitrary is made.

NOTE 6: Reference to Tariffs, Items, Notes, Rules, etc.
Where reference is made in the Supplement to Tariffs, Items, Notes, Rules, etc., it is understood that such reference is continuous and includes supplements to or successive issues of such tariff and subsequent issues of such Items, Notes, Rules, etc.

All provisions of this supplement expire with November 9, 2024.

SHIPMENT OF OPERABLE MOTOR VEHICLES			101		
<u>Item 101 Provisions:</u> (Applicable only when specific reference is made hereto or in conjunction with Items 2500, 2685, 2945, 2950 and 2959 of this tariff.) I. Shipment of Operable Motor Vehicles A. Condition of Vehicles All vehicles tendered for shipment to carrier under this item shall be in safe operating condition. Safe operating condition will be determined solely by Carrier at the time of loading. If vehicles are not in a safe operating condition as determined by Carrier when tendered they will be accepted for shipment under the charges and provisions of Auto Deck Service in Section II of this item. # This provision also applies to any vehicle subject to a manufacturer’s recall pertaining to its safe operation as determined solely by Carrier at the time of loading. B. Articles in Vehicles or Trailers rated per this tariff: 1. The following frequently used vehicle accessories are allowed and shall not be considered Personal Effects: In cabin of vehicle: child seats/restraining systems, car seat cushions/mats, typical and customary glove box contents and other low value items for travel comfort and conveniences. In vehicle trunk or bed of pickup truck: spare tires (up to 4), car jacks, chains, flashlights, and tools for normal vehicle use. Does NOT include hazardous items, or containers used for gasoline. 2. All articles will be shipped at a released value not to exceed 10 cents per pound. 3. Carrier will not be liable for undeclared articles. Undeclared articles will be subject to an additional (A) \$1,631 charge regardless of weight or type of article. 4. Additional Rates for articles loaded to a vehicle rated per Item 2959 or Item 2945: 5. For road legal vehicles with personal effects exceeding the dimensions in Item 2959, either Item 2945 in conjunction with the charges notated in Paragraph I.B.4 of this item or item 2950 may be used, whichever rate is less. 6. All cargo loaded to vehicles tendered for shipment must be visible and accessible for inspection. Personal Effects cargo must be packaged and secured in a manner acceptable to the Carrier. No Personal Effects will be allowed in the front seat(s) or on the floor behind the driver’s seat. While in the driver’s seat, 360-degree visibility is required and cargo is not permitted above the windowsills. Personal Effects, when loaded to the bed of a pickup truck, are not permitted above the level of the cargo bed and must be adequately protected and secured by the Shipper. All loads are subject to Carrier inspection and approval. Carrier may refuse any vehicle containing inaccessible, suspicious or prohibited articles.

(Applicable only when specific reference is made hereto or in conjunction with Items 2685, 2945, 2950 and 2959 of this tariff.)

I. Shipment of Operable Motor Vehicles:

C. Trailers in Tow of Vehicles:

Trailers or other equipment joined to or tendered with vehicle shall be subject to the applicable rate(s) contained elsewhere in Carrier's tariffs.

D. Commodities Not Shipped Under This Item:

The following articles may not be shipped under the provisions of this item:

Hazardous Materials Items of Extraordinary Value Firearms Ammunition

E. Boat Secured to the Roof of Vehicle

When vehicles rated in Items 2945 and 2959 have a boat secured to the roof of the vehicle, the boat shall be subject to an additional charge as follows.

Boat secured to roof	(A) \$358
----------------------	-----------

Personal effects or other items may not be placed in boats loaded to vehicles tendered for shipment.

Rate applies on port to port vehicle moves only.

F. Special Equipment Attached to Vehicles

No rear attachments will be accepted. Additional attachments are subject to Carrier inspection and approval. Carrier will not accept responsibility or liability for loss or damage to special equipment on motor vehicles unless shipper notates any special equipment on the bill of lading. If upon inspection, Carrier determines that the vehicle should be transported on a trailer for any reason the charges provided for vehicles on auto deck will apply. Shipper may opt to book the vehicle at a released value not to exceed \$2,500 and waive the requirement to load to an auto deck by stating the release on Carrier's bill of lading.

<u>Item 101 Provisions:</u> (Applicable only when specific reference is made hereto or in conjunction with Items 2685, 2945, 2950 and 2959 of this tariff.) I. Shipment of Operable Motor Vehicles: (Continued) G. <u>Watertight Stowage</u> Vehicles rated pursuant to Item 2959 shall receive watertight stowage at no additional charge. Vehicles not subject to Item 2959 will receive charges as specified in Tariff STB TOTE 100 SERIES Item 811. H. <u>Vehicles Loaded to Trailers</u> Vehicles which are loaded to trailers by shipper shall be rated per Vehicles Loaded to Trailers, Item 2946 of Straight Trailerload Tariff STB TOTE 500 SERIES. Road legal vehicles with less than 4 wheels (e.g. Motorcycles) are not part of Carrier's roll on/roll off service and will also be rated per this provision. II. <u>Auto Deck Service</u> Auto Deck: This is a platform utilized for special handling that lies on the ground where a vehicle can be driven onto it or any other cargo requiring special secure transit. Once secured on the auto deck, it is loaded by a fork lift to lift it onto a flatbed trailer where it can then be secured to the flatbed. Carrier will provide auto deck service at the rates listed in Item 2959 plus an auto deck loading charge as provided in this item. To opt out of auto deck service for cars described under Part II.B., the customer must release Carrier from all liability for damage and must state so on the bill of lading. If the customer waives auto deck service, and at Carrier's convenience, Carrier loads the vehicle on the auto deck, Carrier is released from all liability for damage. <table border="1" data-bbox="232 1331 1188 1379"><tr><td>Auto Deck Loading Service Charge</td><td>(A) \$601 per Vehicle</td></tr></table> A. Disabled, no start, or vehicles not safe for loading under Paragraph I, at Carrier's sole determination will be provided Carrier's auto deck service. Carrier reserves the option, without prior notification to shipper or consignee, to load the vehicle to auto deck or trailer, to perform minor and major vehicle service, and/or to lift by forklift any vehicle in order to overcome any operational restrictions. Carrier will not be liable for damages arising from lifting or other efforts to transport the vehicle. B. II. Auto Deck Service (Continued)**B. (Concluded)**

1. Restored vehicles shall include any vehicle 25 or more years in age which has been restored or is in process of being restored to its original condition whether or not such restoration is accurate or completed at the time of transportation.
2. Antique vehicles shall include all vehicles 25 or more years in age regardless of condition, operability, restoration or lack thereof.
3. Collectible vehicles shall include any vehicle manufactured within the last 25 years and which, in the sole, bona fide judgment of the carrier is, because of age, condition, manufacturer, model and options, the subject of interest for the purpose of speculation or collection.
4. Exotic vehicles shall include any vehicle regardless of date of manufacture which because of manufacturer, bodywork, limited production, engine, design or other features shall be sufficiently unusual to require special handling in the carrier's sole bona fide judgment. This classification shall include all vehicles manufactured, modified or prepared for competition.
5. Show vehicles shall include any vehicle designed, restored or customized for display, exhibit or show including displays or exhibits of a static competitive nature.
6. Low clearance vehicle(s) are those which Carrier's Operations Department determines cannot be loaded to the vessel without damaging the vehicle(s). The general minimum clearance required is 5 inches, however the specific amount may vary based on the configuration of the vehicle.

II. Auto Deck Service (Continued)**C. General:**

1. Nothing in this item shall be construed as obliging Carrier to accept, transport or deliver cargo when in Carrier's sole judgment, it shall be unsafe to do so. As used herein, the term unsafe shall mean the reasonable possibility of damage to the cargo itself, Carrier's equipment or vessel, other cargo in Carrier's possession, or personal injury to the employees of Carrier, its agents or contractors.
2. If Carrier judges a vehicle unsafe for loading Carrier may elect not to transport same and hold it for shipper at the origin terminal.
3. Carrier will provide minor services consisting of a jump start or providing enough gasoline for loading the vehicle. No other services will be provided.

Carrier, its agents or their employees shall be not liable for mechanical breakdown, derangement or malfunction of vehicle, mechanical or other systems or components resulting from or alleged to be resulting from minor or major service performed in accordance with the terms of this item.

Carrier will not be responsible for delays in transporting vehicles due to disabled or no start conditions.

4. **Service Charges Payment:**
Unless otherwise arranged and subject to carrier's approval, the party responsible for the freight charges shall be responsible for all charges accruing herein. - D. After expiration of free time, carrier may, at its option, place the cargo in public storage in which event all charges including transportation and handling charges incidental to the placing of goods into or out of public storage, shall be for the account of the cargo, including the cost of public storage. The storage charges outlined in Paragraph C above will terminate the first midnight following placement of the goods into public storage. The carrier retains all lien rights in the cargo while the same is stored in a public warehouse under the conditions set forth in this paragraph.
- E. When cargo has been accepted by carrier, but held at origin terminal because of:
1. Nonpayment of cash prepaid freight charges.
 2. Indication of inability to fulfill statutory payment of freight charges.
 3. Lack of proper shipping documents.
- Storage charges will be assessed against the cargo at the charges specified in this item. When storage charges under this paragraph are incurred, charges will accrue after the expiration of free time to include the day that freight storage charges are paid or shipping documents are received.
- F. Upon expiration of free time, storage charges commence; storage charges will terminate only after one of the following conditions have been met:
1. Payment for transportation has been received by carrier, including payment for storage and other services.
 2. The shipment is loaded aboard the vessel. (See NOTE 1)
 3. The shipment has been placed into commercial storage; at which event refer to Paragraph D for charges.
 4. Removal of the shipment from Carrier's terminal (to include designated agent's terminal) by the consignee, shipper or beneficial owner of the cargo.
 5. Carrier is instructed via telephone or written instruction that shipment is to be transported (subject to space availability) on the next available vessel, the date of sailing will serve as date of storage termination.
- G. Saturdays, Sundays and holidays will be included in the computation of free time and storage time.
- H. Storage charges at carrier's origin terminal will be assessed against the consignor irrespective of whether charges are prepaid or collect, unless other arrangements have been made and approved by Carrier in writing.
- I. Should the consignor fail to pay the storage charges provided for herein, nothing will prohibit the carrier from assigning such storage charges to the consignee or beneficial owner of the cargo transported. Carrier furthermore reserves the right to sell any cargo at salvage to pay for any unpaid freight or accessorial charges after giving the appropriate notification of intended sale.
- NOTE 1: When free time expires, carrier shall give notice to consignor (or shipper) by either telephone or in writing that storage have commenced and that Carrier intends to place the cargo in public storage unless instructions to the contrary are received from the consignor (or shipper) and agreed to by Carrier.
