INFORMATION CIRCULAR
as at June 22, 2023
(except as otherwise indicated)

This Information Circular (the “Information Circular”) is furnished in connection with the solicitation of proxies by the management of Aequus Pharmaceuticals Inc. (the “Company” or “Aequus”) for use at the annual general meeting (the “Meeting”) of its shareholders to be held at 10:00 a.m. (Vancouver time) on July 25, 2023, at the offices of Blake, Cassels & Graydon LLP, Suite 3500, 1133 Melville Street, Vancouver, British Columbia, V6E 4E5, for the purposes set forth in the accompanying notice of the Meeting (the “Notice”).

In this Information Circular, references to the “Company”, “we” and “our” refer to Aequus Pharmaceuticals Inc. “Common Shares” or a “Common Share” mean common shares without par value in the capital of the Company. “Beneficial Shareholders” means shareholders who do not hold Common Shares in their own name and “intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to beneficial owners of the Common Shares held of record by those intermediaries and who have advised that they wish to receive such materials.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the “Proxy”) as proxyholders are officers of the Company and have been appointed by management. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than the persons designated in the Proxy, who need not be a shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than for the election of directors unless a *bona fide* proposed nominee for that election is named in this Information Circular;
- (b) any amendment to or variation of any matter identified therein; and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the management appointee acting as a proxyholder will vote in favour of each matter identified on the Proxy and, if applicable, for the management's nominees for directors and auditors identified in the Proxy.

Registered Shareholders

Registered shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. A registered shareholder may submit a proxy using one of the following methods:

- (a) date and sign the Proxy and return it to the Company's transfer agent, Computershare Investor Services, Inc. ("**Computershare**"), by fax within North America at 1-866-249-7775, or from outside North America at (416) 263-9524, or by mail to 8th Floor, 100 University Avenue, Toronto, Ontario, Canada M5J 2Y1 or by hand delivery at 3rd Floor, 510 Burrard Street, Vancouver, British Columbia, Canada V6C 3B9;
- (b) use a touch-tone phone to transmit voting choices to the toll-free number given in the Proxy. Registered shareholders who choose this option must follow the instructions of the voice response system and refer to the Proxy for the toll-free number, the holder's account number and the proxy access number; or
- (c) log on to Computershare's website at www.investorvote.com. Registered shareholders must follow the instructions set out on the website and refer to the Proxy for the holder's account number and the proxy access number.

Whatever method a registered shareholder chooses to submit their Proxy, they must ensure that the Proxy is received at least 48 hours (excluding Saturdays, Sundays and statutory holidays) before the Meeting or the adjournment thereof.

Beneficial Shareholders

The following information is of significant importance to shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares) or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the shareholder's intermediaries. In Canada, the majority of such Common Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms), and in the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial Shareholders - those who object to their name being made known to the issuers of securities which they own (called "**OBOs**" for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called "**NOBOs**" for Non-Objecting Beneficial Owners).

Beneficial Shareholders should follow the instructions of their intermediary carefully to ensure that their Common Shares are voted at the Meeting. The Company will send proxy-related materials indirectly through intermediaries to NOBOs. The Company does not intend to pay for intermediaries to forward the proxy-related materials and voting information to OBOs under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer*. An OBO will not receive these materials unless their intermediary assumes the cost of delivery.

The form of proxy supplied to you by your broker will be similar to the Proxy provided to registered shareholders by the Company; however, its purpose is limited to instructing the intermediary on how to vote your Common Shares on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”) in Canada and in the United States. Broadridge mails a Voting Instruction Form (a “**VIF**”) in lieu of a Proxy provided by the Company. The VIF will name the same persons as the Company’s Proxy to represent your Common Shares at the Meeting. You have the right to appoint a person (who need not be a shareholder of the Company), other than any of the persons designated in the VIF, to represent your Common Shares at the Meeting and that person may be you. To exercise this right, insert the name of the desired representative (which may be yourself) in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge’s instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **If you receive a VIF from Broadridge, the VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have your Common Shares voted or to have an alternate representative duly appointed to attend the Meeting and vote your Common Shares at the Meeting.**

Notice to Shareholders in the United States

The solicitation of proxies may involve securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of British Columbia, Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the United States *Securities Exchange Act of 1934*, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *Business Corporations Act* (British Columbia) (the “**BCA**”), as amended, certain of its directors and its executive officers are residents of Canada and a part of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a registered shareholder who has given a Proxy may revoke it by:

- (a) executing a Proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the registered shareholder’s authorized attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the Proxy bearing a later date to Computershare or at the address of the registered office of the Company at Suite 3500, 1133 Melville Street, Vancouver, British Columbia, V6E 4E5, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any

reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law; or

- (b) personally attending the Meeting and voting the registered shareholder's Common Shares. A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No director or executive officer of the Company, or any person who has held such a position since the beginning of the last completed financial year end of the Company, nor any nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting, other than, in the case of the directors of the Company or any associate or affiliate thereof, the election of such directors.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The board of directors (the "**Board**") of the Company has fixed June 20, 2023 as the record date (the "**Record Date**") for determination of shareholders entitled to receive notice of the Meeting. Only shareholders of record at the close of business on the Record Date who either attend the Meeting personally or complete, sign and deliver a Proxy in the manner and subject to the provisions described above will be entitled to vote or to have their Common Shares voted at the Meeting.

As of the Record Date, there were 132,634,431 Common Shares without par value issued and outstanding, each carrying the right to one vote. No group of shareholders has the right to elect a specified number of directors, nor are there cumulative or similar voting rights attached to the Common Shares. The Company has no outstanding restricted securities, or securities that are directly or indirectly convertible into or exercisable or exchangeable for restricted securities or securities that will, when issued, result in an existing class of outstanding securities being considered restricted securities.

To the knowledge of the directors and executive officers of the Company, there are no persons or corporations that beneficially owned or exercised control or direction over, directly or indirectly, Common Shares carrying more than 10% of the voting rights attached to all outstanding Common Shares of the Company as at the Record Date.

FINANCIAL STATEMENTS

The audited financial statements of the Company for the year ended December 31, 2022, report of the auditor and related management discussion and analysis, all of which may be obtained under our profile on SEDAR at www.sedar.com, will be placed before the Meeting and have been filed with the securities commissions or similar regulatory authority in British Columbia, Alberta, Saskatchewan, Manitoba and Ontario.

VOTES NECESSARY TO PASS RESOLUTIONS

A simple majority of affirmative votes cast at the Meeting is required to pass the resolutions described herein. If there are more nominees for election as directors or appointment of the Company's auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled, all such nominees will be declared elected or appointed by acclamation.

PARTICULARS OF MATTERS TO BE ACTED UPON

1. Setting the Number of Directors – See heading “*Election of Directors*”.
2. Election of Directors – See heading “*Election of Directors*”.
3. Appointment of Auditor – See heading “*Appointment of Auditor*”.

ELECTION OF DIRECTORS

The size of the Board of the Company is currently determined at five. Following the resignation of Mr. Stuart Fowler as a director of the Company on March 31, 2023, the Board currently consists of four directors. The Company’s articles provide that the directors have the power to appoint one or more additional directors until the next annual general meeting of the Company, as long as the number does not exceed one-third of the number of directors elected at the last annual general meeting. The Articles of the Company provide for a board of directors as set by ordinary resolution of the shareholders from time to time.

At the Meeting, shareholders will be asked to pass an ordinary resolution to set the number of directors of the Company for the ensuing year at four. The number of directors will be approved if the affirmative vote of at least a majority of Common Shares present or represented by proxy at the Meeting and entitled to vote thereat are voted in favour of setting the number of directors at four. **Management recommends a vote “for” in respect of the resolution to set the number of directors of the Company at four.**

The term of office of each of the current directors will end immediately before their election at the Meeting. Unless the director’s office is earlier vacated in accordance with the provisions of the BCA, each director elected will hold office until the next annual general meeting of the Company, or if no director is then elected, until a successor is elected.

Advance Notice Policy

Pursuant to our advance notice policy, any additional director nominations for an annual general meeting must be received by the Company not less than 30 days prior to the date of the annual meeting; provided, however, that in the event that the annual meeting of shareholders is to be held on a date that is less than 50 days after the date on which the first public announcement of the date of the annual meeting was made, notice by the nomination shareholder may be made not later than the close of business on the tenth day following the notice date. If no nominations are received by June 25, 2023, being the date which is 30 days prior to the Meeting, management’s nominees for election as directors set forth below shall be the only nominees eligible to stand for election at the Meeting.

Cease Trade Orders and Bankruptcies.

None of the proposed nominees for election as a director of the Company are proposed for election pursuant to any arrangement or understanding between the nominee and any other person, except the directors and senior officers of the Company acting solely in such capacity.

Except as set forth below, no proposed nominee for election as a director of the Company:

- (a) is, as at the date of this Information Circular, or has been, within 10 years before the date of this Information Circular, a director, chief executive officer or chief financial officer of any company (including the Company) that,
 - (i) was subject to a cease trade order, an order similar to a cease trade order or an order that denied the relevant company access to any exemption under securities legislation that was in effect for more than 30 consecutive days (together, an “**order**”) that was issued while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer; or
 - (ii) was subject to an order that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer;
- (b) is, as at the date of this Information Circular, or has been within 10 years before the date of this Information Circular, a director or executive officer of any company (including the Company) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets; or

The Company was subject to a cease trade order (the “**CTO**”) issued by the British Columbia Securities Commission (“**BCSC**”) on May 9, 2022, relating to a failure to file Aequus’ audited annual financial statements, annual management’s discussion and analysis and the certification of annual filings for the year ended December 31, 2021 (collectively, the “**Annual Filings**”). The Annual Filings were filed June 30, 2022, and the BCSC revoked the CTO on July 5, 2022. The delayed filing resulted from late responses from third parties to Aequus’ audit requests, which delayed its audit procedure. Each director nominee was a director of the Company on May 9, 2022, the date the CTO was issued.

No proposed nominee for election as a director of the Company has been subject to:

- (a) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or
- (b) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable security holder in deciding whether to vote for a proposed director.

In accordance with section 4.11 of National Instrument 51-102 – *Continuous Disclosure*

National Instrument 52-110 – *Audit Committees* ("**NI 52-110**") requires the Company, as a venture issuer, to disclose annually in its Information Circular certain information concerning the constitution of its audit committee and its relationship with its independent auditor. Such disclosure is set forth below.

The Audit Committee is comprised of Christopher Clark (Chair of the Audit Committee), Anne Stevens and Marc Lustig, all of whom are financially literate as such term is defined in NI 52-110 and none of whom are executive officers, employees or control persons of the Company or an affiliate of the Company. Mr. Lustig is considered independent pursuant to NI 52-110. Mr. Clark and Ms. Stevens are not considered independent. A description of the education and experience of each proposed Audit Committee member that is relevant to the performance of his or her responsibilities as an Audit Committee member may be found above under the heading "*Director Biographies*".

The Audit Committee is responsible for reviewing the Company's financial reporting procedures, internal controls and the performance of the financial management and external auditors of the Company. The Audit Committee will also review the annual audited financial statements and make recommendations to the Board.

The Company is relying on the exemption set out in section 6.1 of NI 52-110. A copy of the Audit Committee's charter is attached as Schedule "A".

Relevant Education and Experience

See heading "*Director Biographies*" above for a description of the education and experience of each of the members of the Audit Committee that is relevant to their performance as an audit committee member, and in particular, any education or experience that would provide the member with:

- (b) experience preparing, auditing, analysing and evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Company's financial statements, or experience actively supervising individuals engaged in such activities; and
- (c) an understanding of internal controls and procedures for financial reporting.

Audit Committee Oversight

Since the commencement of the Company's most recently completed financial year, there has not been a recommendation of the Audit Committee to nominate or compensate an external auditor which was not adopted by the Company's Board.

Reliance on Certain Exemptions

Since the effective date of NI 52-110, the Company has not relied on the exemptions contained in section 2.4 or Part 8 of NI 52-110. Section 2.4 provides an exemption from the requirements that the Audit Committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditor in the fiscal year in which the non-audit services were provided. Part 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of NI 52-110, in whole or in part.

Pre-Approval Policies and Procedures

The Audit Committee has authority and responsibility for pre-approval of all non-audit services to be provided to the Company or its subsidiary entities by the external auditors or the external auditors of the Company's subsidiary entities, unless such pre-approval is otherwise appropriately delegated or if appropriate specific policies and procedures for the engagement of non-audit services have been adopted by the Audit Committee.

Exemption

The Company is relying upon the exemption in section 6.1 of NI 52-110 in respect of its reporting obligations under NI 52-110 for the year ended December 31, 2022.

External Auditor Service Fees by Category

In connection with the Company's last fiscal year end, the Company incurred audit fees as set out in the table below. In the table, "audit fees" are fees billed by the Company's former external auditor, DMCL, for services provided in auditing the Company's annual financial statements. STATEMENT OF CORPORATE GOVERNANCE PRACTICES

General

National Policy 58-201 – *Corporate Governance Guidelines* (the "**Guidelines**") addresses matters such as the constitution of and the functions to be performed by the Board. National Instrument 58-101 – *Disclosure of Corporate Governance Practices* requires that the Company disclose its approach to corporate governance with reference to the Guidelines. The Board is committed to ensuring that the Company has an effective corporate governance system, which adds value and assists the Company in achieving its objectives.

The Company's approach to corporate governance is set forth below.

Board of Directors

Mandate of the Board

The Board assumes responsibility for the stewardship of the Company and the enhancement of shareholder value. The Board is responsible for:

- (a) ensuring that management develops and implements a strategic plan that takes into account market realities and regulatory compliance;
- (b) upholding a comprehensive policy for communications with shareholders and the public at large;
- (c) developing and formalizing the responsibilities for each member of the Board, including the responsibilities of the Chairman vis-à-vis corporate objectives;
- (d) ensuring that the risk management of Aequus is prudently addressed; and
- (e) overseeing succession planning for management.

The frequency of meetings of the Board and the nature of agenda items may change from year to year depending upon the activities of Aequus. However, the Board meets at least semi-annually and at each meeting there is a review of the business of Aequus.

The Board of the Company facilitates its exercise of independent supervision over the Company's management through frequent meetings of the Board being held to obtain an update on significant corporate activities and plans, both with and without members of the Company's management being in attendance.

Composition of the Board

The Board is currently composed of five directors, two of whom qualify as independent directors. Following the Meeting, it is expected that the Board will be comprised of five directors, two of whom will qualify as independent. For this purpose, a director is independent if he or she has no direct or indirect "material relationship" with Aequus. A "material relationship" is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of the director's independent judgment. An individual who has been an employee or executive officer of the Company within the last three years is considered to have a material relationship with the Company.

Of the current directors, Marc Lustig is considered independent. The following three directors are considered not independent as a result of the positions indicated in parentheses following each name: (i) Doug Janzen (CEO, President and Chairman of the Company); (ii) Anne Stevens (former Corporate Secretary and former Chief Operating Officer of the Company); and (iii) Christopher Clark (former executive officer of Neovasc, an issuer in which Doug Janzen, an executive officer of Aequus, served on the compensation committee of until Neovasc's acquisition by Shockwave Medical Inc. in April 2023).

Directorships

Currently, the following nominated director serves on the following boards of directors of other reporting issuers:

Name of Director	Name of Other Reporting Issuer (or Equivalent in Foreign Jurisdiction)
Marc Lustig	PharmaCielo Ltd. (formerly, AAJ Capital 1 Corp.) (TSX: PCLO) IM Cannabis Corp. (formerly, Navasota Resources Inc.) (NASDAQ, CSE: IMCC)

Name of Director	Name of Other Reporting Issuer (or Equivalent in Foreign Jurisdiction)
	Cresco Labs Inc. (OTCMKTS: CRLBF) (CNSX: CL)

Orientation and Education

Aequus provides new directors with an orientation program upon joining the Company that includes copies of relevant financial, technical and other information regarding its product candidates, development and in-licensed products, as well as meetings with management.

Board members are encouraged to communicate with management and auditors, to keep themselves current with industry trends and developments, and to attend related industry seminars. Board members have full access to the Company's records.

Ethical Business Conduct

The Board will from time to time discuss and emphasize the importance of matters relating to conflicts of interest, protection and proper use of corporate assets and opportunities, confidentiality of corporate information, compliance with laws and the reporting of any illegal or unethical behaviour.

Aequus has also adopted a code of conduct and ethics (the "**Ethics Code**"). The Ethics Code serves to emphasize the Company's commitment to ethics and compliance with the law as well as setting forth basic standards of ethical and legal behaviour. All individuals representing the Company are expected to abide by all applicable provisions of the Ethics Code and adhere to its principles and values when representing the Company to the public or performing services for, or on behalf of, Aequus. The Board will review the effectiveness of the Ethics Code on an ongoing basis to ensure that the Company's business activities are conducted in accordance with the principles and rules set out therein. A copy of the Ethics Code can be found on the Company's website at www.aequuspharma.ca or upon request from Ann Fehr, the Company's Chief Financial Officer ("**CFO**"), at telephone no: (604) 336-7906 or fax no. (604) 563-5033.

Nomination of Directors

It is the view of the Board that all directors, individually and collectively, should assume responsibility for nominating directors. The Board is responsible for identifying and recommending potential nominees for directorship and senior management.

Compensation

Compensation matters are currently determined by the entire Board. The Board is responsible for reviewing the compensation plans and severance arrangements for management and directors, to ensure they are commensurate with comparable companies. The Board will ensure that Aequus has a plan for the continuity of its officers and a compensation plan that is motivational and competitive.

Notwithstanding the foregoing, the Board has established and may establish in the future an *ad hoc* compensation committee if and when the compensation of Doug Janzen, the Company's CEO is reviewed. This review is conducted in the context of the services that Mr. Janzen provides in the context of market rates for persons of similar qualifications performing similar services. Once the *ad hoc* compensation committee has finished its review, it submits its recommendation to the Board for final approval. In connection with the Board's final approval, Mr. Janzen has and will declare his interest in the matter to the Board and recuse himself from voting on his compensation. In respect of Mr. Janzen, the Board's review relates to compensation paid to Northview Ventures Inc. ("**Northview Inc.**"), a company controlled by Mr. Janzen that provides services to the Company. See "*Statement of Executive Compensation – Compensation Discussion and Analysis – External Management Contracts*".

Assessments

The Board and each individual director are regularly assessed regarding their effectiveness and contribution. The assessment considers and takes into account:

- in the case of the Board, its mandate and charter; and
- in the case of an individual director, the applicable position description(s), if any, as well as the competencies and skills each individual director is expected to possess.

STATEMENT OF EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

External Management Contracts

For the fiscal year ended December 31, 2022, certain of the Company's NEOs (as defined below) consisted of individuals employed by Northview Inc. and A. Fehr & Associates Ltd. ("**Fehr & Associates**").

Douglas Janzen, Chief Executive Officer and Ann Fehr, Chief Financial Officer were provided with cash compensation by Northview Inc. and Fehr & Associates, as applicable. Grant Larsen, the Company's Chief Commercial Officer has an employment agreement. Particulars of the agreements between the Company and each of the NEOs are provided below.

Northview Ventures Inc. Consulting Agreement

Effective December 1, 2016, the Company entered into a consulting agreement with Northview Inc. (the "**Northview Agreement**"), pursuant to which Northview Inc. has seconded Doug Janzen to the Company. Northview Inc. is controlled by Mr. Janzen, who is the Chairman, President, and Chief Executive Officer of the Company. During the financial year ended December 31, 2022, Northview Inc. was compensated at a monthly rate of \$18,750 (2021 - \$18,750) per month. As of December 31, 2022, NVI ceased charging the monthly management fee. Northview Inc. is also eligible to receive an incentive bonus upon the satisfaction of specified milestones as may be determined by the Board from time to time. Northview Inc. is located at 200 - 2820 Granville Street, Vancouver, British Columbia, V6C 1S4.

Fehr & Associates Agreement

Aequus entered into an agreement (the "**Fehr Agreement**") with Fehr & Associates effective July 22, 2016, pursuant to which Fehr & Associates has assumed responsibility of the Company's accounting department services, which includes ongoing technical accounting support for regulatory filings and day to day administration and bookkeeping. Under the Fehr Agreement, Ann Fehr, Principal of Fehr & Associates, assumed the role of CFO of the Company effective as of July 22, 2016. Ms. Fehr's responsibilities as CFO under the Fehr Agreement include ongoing accounting, risk management, financial reporting, maintenance of internal accounting procedures and preparation of required financial reporting and information circulars. Fehr & Associates is located at 200 - 2820 Granville Street, Vancouver, British Columbia, V6C 1S4.

In consideration for the services provided to the Company by Ann Fehr as CFO, Fehr & Associates receives \$1,000 per month plus \$120 per hour for any services rendered to the Company by Ms. Fehr. Other staff of Fehr & Associates that provide services to the Company will be invoiced to the Company at an hourly rate depending on the nature of the services provided.

Larsen Agreement

Effective August 17, 2020, the Company entered into a consulting agreement with Grant Larsen (the "**Larsen Agreement**"), pursuant to which, Mr. Larsen would act as Chief Commercial Officer and perform

duties which includes strategy, planning and implementation of the commercial development, sales and marketing activities. Mr. Larsen is paid an annual base salary in the amount of \$250,000 from April 15, 2022 (\$180,000 prior to April 15, 2022) for all services performed for the Company.

Compensation of Named Executive Officers

Securities legislation requires the disclosure of the compensation received by each Named Executive Officer (as defined below) of the Company. "Named Executive Officer" is defined by applicable Canadian securities legislation to mean: (i) the CEO; (ii) the CFO; (iii) the three most highly compensated executive officer of the Company, including any of its subsidiaries, or the most highly compensated individual acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was more than \$150,000 for that financial year; and (iv) each individual who would be a "Named Executive Officer" under paragraph (iii) but for the fact that the individual was neither an executive officer of the Company or its subsidiaries, nor acting in similar capacity, at the end of the most recently completed financial year.

For the fiscal year ended December 31, 2022, the Company had the following Named Executive Officers (collectively, the "**Named Executive Officers**" or "**NEOs**"):

- Doug Janzen, President, Chief Executive Officer, Chairman and Director;
- Ann Fehr, Chief Financial Officer and Corporate Secretary; and
- Grant Larsen, Chief Commercial Officer.

Compensation Governance

At this time, Aequus has not established a permanent compensation committee of the Board. The Board has established and may establish in the future an *ad hoc* compensation committee if and when the compensation of Northview Inc., a company controlled by Doug Janzen, is reviewed. The *ad hoc* compensation committee reviews the compensation of Northview Inc. and provides a recommendation to the Board. See "*Statement of Corporate Governance Practices – Compensation*" above.

All compensation matters are dealt with by the entire Board, including compensation of the Board itself. The Board reviews on an annual basis the cash compensation, performance and overall compensation package of each executive officer. Factors that are taken into consideration when making compensation decisions include:

- the financial resources available or expected to be available to the Company;
- the current market and economic environment;
- comparative compensations levels for companies of Aequus' size in the biopharmaceutical industry;
- the capabilities of individual contributors to the Company's success;
- the reasonable compensation expectations of the individual contributor; and
- relative equity with other Aequus contributors.

Objectives

The objectives of the Company's NEO compensation program are to: (a) attract, motivate and retain high-calibre NEOs; (b) align the interests of the NEOs with those of the Company's shareholders; and (c) incentivise the NEOs to continuously improve operations and execute on corporate strategy. The NEO compensation program is, therefore, designed to reward the NEOs for increasing shareholder value, and improving operations and executing on corporate strategy.

Philosophy

The philosophy used by the Board in determining compensation is that the compensation should (i) reflect the Company's current state of development, (ii) reflect the Company's performance, (iii) reflect individual performance, (iv) align the interests of executives with those of the shareholders of the Company, (v) assist the Company in retaining key individuals, and (vi) reflect the Company's overall financial status.

Elements of Compensation

Cash Compensation

For the fiscal year ended December 31, 2022, the cash compensation of the NEOs (other than Grant Larsen) was paid by Northview Inc., or Fehr & Associates, as applicable, from their revenues. As private companies, Northview Inc. and Fehr & Associates' compensation decisions were made independently of Aequus. None of Northview Inc. and Fehr & Associates had a specific formula for determining the amount of compensation, nor did they have a formal approach for determining how the compensation fit into the overall compensation objectives in respect of the activities of the Company. For the periods subsequent to December 31, 2022, objectives and performance measures may vary as determined to be appropriate by Northview Inc. and Fehr & Associates' management, as applicable.

Mr. Grant Larsen, the Company's Chief Commercial Officer, receives \$20,833 per month pursuant to Larsen Agreement.

Performance-Based Cash Bonuses

The Company may elect to utilize cash bonuses when appropriate. When and if utilized, the amount of cash bonus compensation will normally be paid on the basis of timely achievement of specific pre-agreed milestones. Each milestone will be selected based upon consideration of its impact on shareholder value creation and the ability of the Company to achieve the milestone during a specific interval. The amount of bonus compensation will be determined based upon achievement of the milestone, its importance to the Company's near and long-term goals at the time such bonus is being considered, the bonus compensation awarded to similarly situated executives in similarly situated development stage life-sciences companies or any other factors the Company may consider appropriate at the time such performance-based bonuses are decided upon.

Other than as disclosed above under "*External Management Contracts*", no cash bonuses were paid to the NEOs for the financial year ended December 31, 2022. As of the date hereof, in respect of the current financial year, the Company has not set any pre-agreed milestones with its NEOs in connection with the payment of cash bonuses.

Stock Options

Stock options are a key compensation element for Aequus. As many of the most capable individuals in Aequus' industry work for pharmaceutical companies who can offer attractive cash and bonus compensation and a high level of employment security, stock options represent a compensation element that balances the loss of employment security that such individuals must accept when moving to a small development-stage company like Aequus. Stock options are also an important component of aligning the

objectives of Aequus executive officers and consultants with those of shareholders. Aequus has and expects to continue to provide significant stock option positions to its executive officers and consultants. The precise amount of stock options to be offered will be governed by the importance of the role within Aequus, by the competitive environment within which Aequus operates, and by the regulatory limits on stock option grants that cover organizations such as Aequus. When considering an award of options to an executive officer, consideration of the number of options previously granted to the executive may be taken into account, however, the extent to which such prior grants remain subject to resale restrictions will generally not be a factor.

For the particulars of all compensation securities granted or issued during the year ended December 31, 2022 for each NEO see “*NEO Incentive Plan Awards – Outstanding Share-Based and Option-Based Awards.*”

See “*Securities authorized for issuance under equity compensation plans - Stock Option Plan*” for a summary of the key terms of the Company’s Stock Option Plan (as defined under that heading).

Link to Overall Compensation Objectives

Each element of the executive compensation program has been designed to meet one or more objectives of the overall program. The cash compensation and, if applicable, performance-based cash bonuses, that have been or will be paid to Northview GP, Northview Inc., Fehr & Associates and Grant Larsen in consideration for the services provided to the Company by the NEOs, combined with the granting of stock options (“**Options**”), has been designed to provide total compensation which the Board believes is competitive with that paid by other companies of comparable size engaged in similar business in appropriate regions.

Compensation Risks

In making its compensation-related decisions, the Board carefully considers the risks implicitly or explicitly connected to such decisions. These risks include the risks associated with employing executives or consultants who are not world-class in their capabilities and experience, the risk of losing capable but under-compensated executives or consultants, and the financial risks connected to the Company’s operations, of which compensation is an important part.

In adopting the compensation policy described above, the principal risks identified by Aequus are:

- that the Company will be forced to raise additional funding (causing dilution to shareholders) in order to attract and retain the calibre of executives and consultants that it seeks;
- that Northview Inc., and Fehr & Associates’ compensation objectives will not align with the compensation objectives of Aequus;
- that the Company will have insufficient funding to achieve its objectives; and
- that pursuant to the Stock Option Plan (as defined under the heading *Securities Authorized for Issuance Under Equity Compensation Plans*), no more than an aggregate of 10% of the number of issued and outstanding Common Shares may be reserved for issuance upon exercise of Option grants made to insiders of the Company. Such limitations may mean that the Company will not have a sufficient number of Options available to attract qualified executives.

After careful consideration of these risks, the Board has adopted the compensation policy described above which includes safeguards designed to mitigate compensation risks. The following measures impose appropriate limits to avoid excessive or inappropriate risk taking or payments:

- Northview Inc.'s compensation is reviewed by the entire Board or an *ad hoc* compensation committee as required. Doug Janzen, Managing Director of Northview Inc. has and will declare his interest in such matters and recuse himself from voting on any Board decisions with respect to Northview Inc.; and
- adoption of a stock option vesting pursuant to which incentive stock options granted to executive officers and management vest over time which discourages excessive risk-taking to achieve short-term goals.

Inappropriate and excessive risks by executives are also mitigated by regular meetings of the Board, at which, activity by the executives must be approved by the Board if such activity is outside previously Board-approved actions and/or as set out in a Board-approved budget. Given the current composition of the Company's executive management team, the Board is able to closely monitor and consider any risks which may be associated with the Company's compensation practices. Risks, if any, may be identified and mitigated through regular Board and Audit Committee meetings during which financial and other information of the Company is reviewed, including executive compensation.

Northview Inc.

Under the Northview Agreement, upon a Change of Control (as defined below) all unvested stock options held by Mr. Janzen will immediately vest. If within 12 months following a Change of Control of the Company, the Northview Inc.'s contract is terminated by the Company without Cause (as defined in the Northview Agreement), Northview Inc. will receive severance in the form of a lump sum payment equivalent to twelve months consulting fees as at the rate in place at the date of termination to be effective on the date following the communication of same.

A "Change of Control" is defined in the Northview Agreement as: (a) the acquisition, directly or indirectly, by any person or group of persons acting jointly or in concert, as such terms are defined in the *Securities Act* (British Columbia), of the Common Shares which, when added to all other Common Shares at the time held directly or indirectly by such person or persons acting jointly or in concert, constitutes for the first time in the aggregate 50% or more of the outstanding Common Shares and such shareholding exceeds the collective shareholding of the current directors of the Company, excluding any directors acting in concert with the acquiring party; (b) the removal, by special resolution of the shareholders of the Company, of more than 51% of the then incumbent Board, or the election of a majority of Board members to the Company's Board who were not nominees of the Company's incumbent Board at the time immediately preceding such election; or (c) consummation of a sale of all or substantially all of the assets of the Company; or (d) the consummation of a reorganization, plan of arrangement, merger or other transaction which has substantially the same effect as (a) to (c) above.

In the event of a Change of Control (as defined in the Larsen Agreement), if within 12 months following a Change of Control of the Company, Mr. Larsen's employment is terminated by the Company without Cause, he will receive severance in the form of a lump sum payment equivalent to nine (9) months' pay as at the rate in place at the date of termination to be effective on the date following the communication of same.

Stock Option Plan

The following disclosure describes the material provisions of the Stock Option Plan.

Aequus' Stock Option Plan is administered by an administrator on the instructions of the Board. The Board has final authority and discretion, subject to the express provisions of its Stock Option Plan, to interpret the Stock Option Plan and to make all other determinations deemed necessary or advisable for the administration of the Company's Stock Option Plan. This includes the discretion of the Board to decide who will participate in the Stock Option Plan, which may include directors, officers, employees and consultants (the "**Participants**"). The Board also has authority to delegate its duties to a committee or to the administrator for certain matters.

The Stock Option Plan is a "fixed number plan" pursuant to which a maximum of 16,000,000 Common Shares, being approximately 12.1% of the issued and outstanding Common Shares as of the Record Date, may be reserved for issuance pursuant to Options. Under the Stock Option Plan, no more than an aggregate of 10% of the number of issued and outstanding Common Shares may be reserved for issuance upon exercise of Option grants made to Insiders (as such term is defined by the policies of the TSX-V) unless the Company has obtained disinterested shareholder approval.

Options granted under the Stock Option Plan are non-transferable, expire no later than ten years from the date of issuance and are exercisable as determined by the Board. Options granted under the Stock Option Plan are evidenced by an option agreement entered into between the Participant and the Company.

The exercise price of any Option must not be lower than the last closing sales price for the Common Shares as quoted on the TSX-V for the market trading day immediately prior to the date of grant of the option. In addition, Options to acquire more than 2% of the issued and outstanding Common Shares may not be granted to any one consultant in any 12-month period and Options to acquire more than an aggregate of 2% of the issued and outstanding Common Shares may not be granted to persons employed to provide Investor Relations Activities (as such term is defined by the policies of the TSX-V) at any one time. Options granted to acquire more than 5% of the issued and outstanding Common Shares may not be granted to any one individual in any 12-month period, unless the Company has obtained disinterested shareholder approval.

Options under the Stock Option Plan terminate on the earlier of (i) the termination date specified in the option agreement between the Participant and the Company, subject to the termination date occurring during a blackout period, in which case the termination date would be extended to ten business days after the last day of the blackout period; (ii) where the Participant's position as an employee, consultant, director or officer of the Company is terminated for just cause, the date of such termination for just cause; (iii) where the Participant's position as an employee, consultant, director or officer of the Company is terminated for a reason other than the Participant's disability, death or termination for just cause, 90 days after such date of termination; and (iv) the date of any sale, transfer, assignment or hypothecation, or any attempted sale, transfer, assignment or hypothecation of the Participant's Option in violation of the Stock Option Plan. In the case of termination of the Participant's employment by reason of death or disability, Options may be exercised no later than 12 months following the date of death or disability, by the legal guardian or legal representative of the estate of the Participant, as applicable, provided that, in the case of death of the Participant, the exercise period of any Option shall not extend beyond ten years from the date the Option was granted.

The Stock Option Plan also provides for adjustments to outstanding Options in the event of alteration in the capital structure of Aequus, a merger, arrangement or amalgamation involving Aequus or Aequus' entering into a plan of arrangement. Moreover, upon a change of control, all Options outstanding under the Stock Option Plan shall become immediately exercisable, subject to TSX-V approval.

The Board may, at their discretion, but subject to the policies of the TSX-V, at the time of any grant, impose a schedule over which period of time Options will vest and become exercisable by the Participant; however, for so long as the Common Shares are listed on the TSX-V, Options granted to persons performing Investor

Relations Activities must vest in stages over a 12-month period with no more than one quarter of the Options vesting in any three month period.

Subject to any required approval of the TSX-V, the Board may terminate, suspend or amend the terms of the Stock Option Plan, provided that for certain amendments, the Board must obtain shareholder approval, and, where required, disinterested shareholder approval.
