

# Skybound Applicant Questionnaire

Name:

Professional Designation:

Current Role:

**1. Which role do you see yourself in three years from now?**

Please tick no more than two.

- Financial Planner
- Business Development
- Paraplanner
- Client Services

**2. For the role ticked in Part 1., which of the below territories would you see yourself working in?**

- UK
- Middle East
- Switzerland
- Europe
- USA
- Other:

**3. Given your current understanding of the company and the industry (which may be limited at this stage), what do you believe will be required from you to achieve this?**

**4. Provide one example of how you have innovated to creatively solve a problem in previous employment, role or undertaking.**  
Examples could include focus on specific aspects of a product or service, specific geographies or specific sales demographics, and novel solutions for problem solving in general.

5. What would you say were your greatest successes in your previous undertakings? Monetary and non-monetary achievements are equally relevant.

6. Give one example of a notable demonstration of your personal resilience and “overcoming”.

7. What, if any, aspects of your skillset from previous roles or education do you believe would be applicable during your employment at Skybound?

8. If you are comfortable to do so, please provide examples of your earnings from the last 1-2 years, inclusive of any bonuses and commissions, and detailing those structures where relevant.
