hh2 Cloud Services® Updates Employee Certifications Page Within Human Resources Solution

SALT LAKE CITY, Feb. 25, 2018 – hh2 Cloud Services, a cloud-based construction software development company located in Kaysville, Utah (www.hh2.com), released a new, updated user interface and experience for ‘Employee Certifications’ within Human Resources (HR) solution. This update is primarily cosmetic.

“We’ve redesigned the Employee Certifications section within our HR solution,” said Kevin Wroblewski. “We enjoy making user interface updates because we love giving our customers the best possible experience when using our products.”
