BACKGROUND ON THE PROPOSED RESOLUTIONS

- Resolution 1. To approve the Company's financial statements for the financial year ended 31 December 2020.

He was formerly a member of the Board of Directors of the American Stock Exchange and a member of the NASDAQ Listing and Hearing Review Council. Special Business

The special business to be conducted at the Annual General Meeting will be a vote on the following proposed resolutions:

- Resolution 7. As an Ordinary Resolution, to approve and ratify the actions of the Company's Directors and Officers during 2020.

This proposal to approve and ratify any and all actions of the Company's Directors and Officers is not required since the Articles of Association provides certain protections to the Directors and Officers for actions taken and decisions made during the course of business. However, this resolution is proposed so that the Company's shareholders can demonstrate their confidence in the actions and efforts of the Directors and Officers that were made in good faith and in the best interest of the Company.

- Resolution 8. As a Special Resolution, Article 48 of the Company's Articles of Association be deleted in its entirety and replaced with the following:

"Article 48

The Board shall convene and the Company shall in each year hold a general meeting as its annual general meeting in addition to any other meeting in that year and shall specify the meeting as such in the notices calling it; and not more than 15 months shall elapse (or such longer period as the Exchange may authorise) between the date of one annual general meeting of the Company and that of the next. So as long as the first annual

general meeting of the Company is held within 15 months from the date of its incorporation, it need not be held in the year of its incorporation. The annual general meeting shall be held at such time and place as the Board shall appoint.”

The revised Article 48 removes the requirement that annual general meetings of the Company be held in a place "other than Norway".
