Lot Rental Amount Increase. An increase in one or more of the following factors may result in an increase in the Mobile Homeowner’s or Resident’s Lot Rental Amount, User Fees, or other charges:

1. “Increased costs” which refers to any increases experienced by the Community Owner since the delivery of notice of the last increase in the Lot Rental Amount in the total costs arising out of the ownership, operation, and management of the Community. All present and future operating expenses and other charges of every kind and nature may be taken into account in determining the total costs, and such expenses and charges may include, but are not limited to: (1) costs of obtaining utility services, including water, sewer, electricity, gas and waste disposal; (2) property taxes and special assessment and levies; (3) insurance premiums; (4) the cost of general repairs; (5) the cost of janitorial, security, cleaning, window washing, and pest control; (6) the cost of redecorating, renovating, and landscaping the common facilities or areas in the Community, and of striping, patching, and repairing any roadways, vehicular parking areas, or storage areas in the Community; (7) the cost of providing heating, ventilating, and air-conditioning services to any recreational building or other common area or facility in the Community; (8) reasonable salaries and other remuneration and compensation paid to persons or firms engaged in operating, managing, repairing, maintaining, or administering the Community; (9) management fees paid in connection with the operation and management of the Community, including any such fees paid to the Community Owner or any affiliate of the Community Owner; (10) the cost of capital improvements or major repairs made in or for the benefit of the Community or its Residents, and the funding of any reserves for capital improvements or repairs; and, (11) license fees, permit fees, and other fees and charges payable to the state of Florida or any agency or municipality thereof.

2. “Prevailing Market Rent” refers to the lot rental amount imposed in manufactured home communities which are comparable to this Community, or the Lot Rental Amount willingly paid from time to time by new Residents of this Community. A community will be deemed comparable, if it is located in the same competitive area as this Community, and offers similar facilities, amenities, services and/or management.

3. “Prevailing Economic Conditions” refers to those factors which bear on the economic viability of a real estate investment and which would be considered by a prudent business person in establishing the Lot Rental Amount or any increase in the amount thereof. These factors may include, but are not necessarily limited to: (1) the costs attendant to the replacement of this Community in the economic environment existing at the time of any

increase in the Lot Rental Amount, including land acquisition costs, construction costs, and

losses associated with the operation of a manufactured home community prior to full occupancy, and the level at which the lot rental amount must be established in order that the Community Owner will realize a reasonable rate of return on the costs referred to in this clause; (2) the level at which the Lot Rental Amount must be established in order that the Community Owner will realize a reasonable return on the "Owner's Equity;" for this purpose, the "Owner's Equity" refers to the fair market value of the Community from time to time, less existing mortgage indebtedness; (3) the level at which the Lot Rental Amount must be established in order to pay the level of interest rates and other financing charges associated with construction, interim and permanent financing, including the cost of purchase of the property; (4) the availability of alternative forms of real estate investments which, absent the Lot Rental Amount increase in question, might reasonably be expected to yield a greater return on investment capital; (5) the levels of the Consumer Price Index, U.S. City Average—All Urban Consumers (1982-84 = 100) and/or any other widely accepted replacement index measuring the relative value of the U.S. dollar; (6) other economic factors which might reasonably be expected to affect either the value of the Community, the rate of return available to the Community Owner at the existing level of the Lot Rental Amount, the present value of the real estate investment in the then current economic conditions, and which would be taken into consideration by a prudent businessman in considering the amount of Lot Rental Amount increase required in the community in order to realize a rate of return similar to other at risk real estate ventures from the then current value of the Community.

In addition to any increase in Lot Rental Amount resulting from any one or more of the foregoing factors, the Community Owner expressly reserves the right to increase the base rent for each leased lot in the Community up to five percent (5%) per annum.

Section X Additional Considerations

A. The Community Owner reserves the right to amend this Prospectus or any Exhibit hereto from time to time to the extent permitted by law.

B. Residents assuming the remaining portion of a rental agreement as allowed by Section 723.059(3), Florida Statutes, as amended, are hereby notified that, upon expiration of the term of the assumed rental agreement, the Community Owner expressly reserves the right to increase the Lot Rental Amount in an amount deemed appropriate by the Community Owner based on prevailing market rent or any of the factors set forth in this Prospectus.

The seller of a Mobile Home is required to deliver their Prospectus to the purchaser. The seller must advise Management of the imminent sale of the Mobile Home and of the prospective purchaser's name and address.

The seller may not promise the purchaser they will be approved for residency in the Community because the purchaser must meet with Management prior to assuming the remainder of the term of the rental agreement, be screened for eligibility as a prospective resident under the Community's then existing rules and regulations and agree to any increase in Lot Rental Amount in writing prior to occupancy, or inform the Community Owner otherwise. Failure to comply with this provision may result in eviction for failure to qualify as a resident pursuant to Section 723.061, Florida Statutes.

C. No court action may be brought by any Mobile Home Owner, Resident, Tenant, Occupant, or Homeowners' Association relating to a dispute concerning changes to the rules

and regulations, the current Lot Rental Amount, or an increase in the Lot Rental Amount unless such persons or entities have complied with the meeting and mediation requirements set forth in Sections 723.037 and 723.038, Florida Statutes.

D. The Community Owner or Management and the Mobile Homeowner or Resident may agree to a modification of the terms and conditions established under this Prospectus or any rental agreement, provided that such modification is agreed to in writing by the Community Owner.

E. Management reserves the right to enter, or to have designees enter, any Mobile Home Lot for purposes of repair and replacement of utilities and protection of the Community at all reasonable times, but not in such a manner or at such time as to interfere unreasonably with the Resident's quiet enjoyment of the Mobile Home Lot.

Section XI User Fees

Residents are responsible for the payment of User Fees if the Resident agrees to the provision of such services for fees established by the Community Owner. User Fees may be increased, at Management's sole discretion. Factors considered include increased costs, prevailing market rent, and prevailing economic conditions (see Section IX, above). Notice of an increase or change in User Fees will be given not less than five (5) days prior to the increase. Such notice may be given by posting in the Mail Room, by personal delivery, by email, or by U.S. Mail. Notice by U.S. Mail will be deemed made upon the mailing of the notice to the Mobile Home Owner's last known address.

At present, the Community does not require User Fees for any of its services. Notwithstanding, a rental fee will be charged for a space within the boat storage/additional vehicle/recreational vehicle area.

Section XII Community Rules and Regulations

The current Community Rules and Regulations are attached as an Exhibit to this Prospectus and are incorporated herein by reference as part of this disclosure document. The Community Owner reserves the exclusive right to make, change, or promulgate Community Rules and Regulations during the term of the tenancy.

Pursuant to Section 723.037(1), Florida Statutes, the Community Owner shall give written notice to each Mobile Home Owner at least ninety (90) days prior to any change in rules and regulations. Rules adopted as a result of restrictions imposed by government entities or those required to protect the public health, safety, and welfare may be enforced prior to the expiration of the ninety (90) day period.

Section XIII Zoning

The City of Freeport is the Zoning Authority for the land comprising the Community. The land of the Community is located in a Planned Development Project ("PDP") for the entire Riverwalk Development, and the PDP allows for a 55 year and older mobile home park use for the Community.

Management reserves the right to judge the domesticity of the animal and the decision of Management is final.

20.1. Only two standard house pets may be allowed in any Home and then only if approved by the Management in advance. All pets must be registered at the Management Office and are subject to an additional Special Use Fee. Any pet not properly registered within the office must be removed from the Community.

20.2. All pets must have proper city or county licenses and current immunizations to ensure the safety of all Residents in the Community. Pets must be on a leash when outside the Home and must not be walked on other Lots in the Community. Residents are responsible for removal of their pet's droppings immediately, whether on their Lot or otherwise.

20.3. If Management finds the conduct of a pet to be dangerous, noisy, bothersome, or a nuisance or if the pet is found running loose on more than one occasion, its registration will be terminated and the pet must be removed within seven (7) days from receipt of written notice. Failure of the Resident to remove the pet from the premises within such a period may result in eviction proceedings.

20.4. Pet owners will be liable for any and all damages caused by their pet. Should a pet be found running free, it may be held for pickup by the animal control department. If a pet is picked up by such animal control department a second time, the pet will not be permitted to return to the Community.

21. Children.

In order to ensure their safety and well-being, children under the age of thirteen (13) years must be under the supervision of an adult at all times while on the Community premises. Residents are responsible to see that their children or the children of their guests do not become a nuisance or disturb other residents of the Community. Children's toys will not be left outside any Home. Children are prohibited from trespassing on Lots (either occupied or vacant). Residents will bear full financial responsibility for the acts of their children or the children of their guests and visitors.

22. Absence.

Residents and Homeowners are required to notify Management of any absence or period of non-occupancy in excess of thirty (30) days and leave a forwarding address. Rental Amounts continue to accrue and must be timely paid during periods of absence.

23. Barbeques and Fires.

Fire is to be made only in containers designated for it. No open fires or burning of trash or brush is permitted. Barbeque grills or other sources of flame may not be left unattended. No fire or barbeque of any type shall be allowed unless the Resident has a fire extinguisher or other reliable method of fire suppression present at all times.

24. Business Operations.

No business may be operated from any Home or Lot without prior, express approval from Management.

25. Drugs.

The sale, distribution, manufacture, possession, or use of illegal substances is prohibited. It is also prohibited to drive a motor vehicle while under the influence of illegal substances. Disruptive or improper conduct while under the influence of illegal substances is not an excuse and is itself a violation of these Rules and Regulations. Any person violating this rule may face penalties up to and including eviction and may be reported to law enforcement agencies; additionally, guests violating this policy may have their guest privileges revoked.

26. Emergencies.

In the event of an emergency, Residents are responsible for taking care of their own safety, health, and fire protection needs. In an emergency, call the police or fire department first then notify Management or its agent.

27. Gambling.

Gambling is prohibited as provided by state law.

28. Nuisance.

Disturbing the peace in any manner, profanity, indecency, drunkenness, harassment, threatening conduct, and loud playing of audio equipment, radios, TVs, stereos, musical instruments, or any other type device will not be tolerated. Fireworks or other dangerous instruments are not permitted in the Community. Firearms, BB guns, air-soft guns, paintball guns, and similar items may not be discharged in the Community. Brandishing of any weapon is prohibited. Management assumes no responsibility for resolving personality conflicts or disputes among neighbors. Mutual respect and cooperation among Residents is expected. Each Resident is expected to report any vandalism to individual or Community property to the Management promptly.

29. Quiet Hours.

To ensure the quiet enjoyment of all Residents, quiet hours are in effect from 10 p.m. to 8 a.m. During these times, Residents, Occupants, and guests are expected to keep noise to a minimum.

30. Solicitation.

To ensure the privacy of residents, no door-to-door solicitation is permitted in the Community by any Resident, Occupant, Guest, or nonresident, with the exception that Residents have the right to canvass and solicit as allowed pursuant to Section 723.054, Florida Statutes. This provision is not intended to prohibit the notification regarding or invitation to events such as picnics, parties, social events, or similar activities.

31. Trespassing.

Trespassing on or through other Residents' Lots is not permitted. Repeated violations of this Rule may result in penalties up to and including eviction.

32. Garbage, Trash, and Sanitation.

Pick-up dates for garbage and trash will be determined by the City of Freeport and/or the entity contracted by the City of Freeport to provide garbage and trash disposal. Garbage and trash will be picked up only if it is contained in a secured plastic bag inside a garbage can and placed at a designated location curbside on collection days. A dumpster is available for larger items. For information about collection days and locations of dumpsters, please contact Management. Garbage and recycling cans are provided by the City of Freeport and may be available upon request from Management.

33. Storm Protection.

All Homes, awnings, screen rooms, carports, and storage sheds must be anchored in compliance with applicable laws, ordinances, regulations, and codes. When a Home is to be left unattended for a period of thirty (30) days or longer, all items of personal property must be secured in advance and all awnings are to be closed and securely fastened, with

the exception of those awnings designed and built free-standing to withstand high winds. In the event of a hurricane, evacuation of the Community is mandatory. Residents are advised to make arrangements in advance and be prepared to evacuate in the event a hurricane warning is issued. Once a hurricane warning is issued, Management may—at the Resident's expense—attempt to properly secure the Homes. It should be observed that a hurricane warning means hurricane conditions are imminent; and therefore, resources may be scarce. Management makes no warranties or representations regarding its ability to secure any individual Home and will not be financially responsible for any loss or damage incurred by the Residents.

34. Laundry Facilities.

The Community does not provide Laundry Facilities.

35. Removal of Homes.

Homes may not be removed from the Community unless all Rental Amounts, fees, charges, and assessments are paid to the end of the term. The Community may prevent the removal of a Home to enforce this rule. If the Home is being removed from the Community, the Lot is to be left neat, clean, and free of debris, trash, rubbish, discarded articles or unused items. Any damage done to the Lot or the Community when a home is being removed is the responsibility of the Resident that is moving out. Anyone moving a Home out of the Community must let Management know what day the move will be taking place, at least three (3) days prior to the move.

36. Liability.

Parents are responsible and liable for the conduct of and any injuries or damage caused by their children to the property of others, including injuries to the Community property. Residents and owners of Homes are responsible and liable for the conduct of and any injuries or damage caused by their guests and pets.

All personal property, including a Home placed on a Lot, shall be placed in the Community at the Resident's risk, and Management shall not incur any liability for loss of or injury to such property with respect to any other property or persons due to causes including, but not limited to, fire, faulty installation of the Home, explosions, flood, smoke, water escape, changes in the level of underground water tables, windstorm, hail, lightning, aircraft, vehicles (other than those operated by or for the Community), earthquake, or insect damage of any nature whatsoever. Each Resident shall indemnify and hold harmless the Management from any and all damages, liabilities, losses, claims, costs, and expenses (including attorneys' fees) arising from injury to persons or property caused by any act or omission of the Resident and/or her or his family, licensees, or invitees.

37. Compliance with Government Regulations and Hazardous Waste.

Residents, Occupants, and guests must comply with all applicable governmental regulations. No Home or Lot may be used for any illegal or immoral purpose, use, activity, or business. Residents agree to comply with governmental regulations concerning the storage and disposal of all forms of hazardous waste arising from their occupancy of the premises. Should any Resident, Occupant, or guest fail to comply with applicable governmental regulations, the Resident and owner of the Home specifically agree to be personally liable for all costs, fees, penalties, interest, and charges of any kind whatsoever arising from such failure to comply with the governmental regulations. Further, RESIDENTS AND HOMEOWNERS AGREE TO INDEMNIFY AND HOLD THE COMMUNITY HARMLESS FROM ALL SUCH COSTS, FEES, PENALTIES, INTEREST AND CHARGES OF ANY KIND WHATSOEVER.

IMPORTANT NOTICE: A FIRST VIOLATION OF THIS RULE IS SUBJECT TO EVICTION ACTION AS AN ACT INJURIOUS TO THE OTHER RESIDENTS' HEALTH, SAFETY, AND PEACEFUL ENJOYMENT OF THE COMMUNITY.

38. Grievance Procedure.

To facilitate the prompt and equitable resolution of any complaint by Residents, the Community has established the following procedure, which Residents are required to follow, in an attempt to rectify any issues or concerns:

38.1. Complaints: All complaints must initially be submitted to the Community Manager. If the Community Manager agrees with the complaint, she or he will take action to correct the issues raised. If the Community Manager does not agree with the complaint, she or he will explain to the Resident his or her understanding of the Community's position regarding such matters. The Community Manager is required to fairly and equitably enforce the Community's Rules and Regulations and Rental Agreement.

38.2. Recourse and Clarification: Should any Resident believe that the position taken by the Community Manager is wrong, especially on an item that may not be covered in the Community's present Rules and Regulations and which may need further clarification, such Resident is then requested to prepare a written statement specifically outlining the nature of the complaint, and all facts supporting the complaint. This statement then should be delivered to the grievance committee of the Community by U.S. Mail addressed to:

Freeport Residential, LLC
Attn: Grievance Committee
60 Angler Drive
Freeport, Florida 33460

In the statement, the Resident should include their name, address, telephone number, and email address. The grievance committee, upon receipt of such statement, will investigate the complaint and will reply in writing directly to the

Resident either requesting additional information or setting forth the Community's final position on the matter.

39. Rights of Management.

Management shall have the right of access to the Resident's Home to prevent imminent danger to an occupant of the Home or to the Home itself. Management shall have the right of entry onto the Lot at all reasonable times for purposes of repair and replacement of utilities and protection, maintenance, repair, or improvement of the Community.

Specific variances to these Rules and Regulations may be granted by Management due to space limitations, design considerations, in cases where the intent of a Rule or Regulation is met but not the specific requirement, or in such other circumstances as to not disturb Residents' quiet enjoyment of the Community and where the basis for the variance is deemed sufficient in the sole discretion of the Management.

The rights of the Management contained herein are cumulative and failure of the Management to exercise any right shall not operate to forfeit any other rights of the Management. The failure of the Community Management to insist, in any one or more instances, upon a strict performance of any right of the provisions of the Rental Agreement or Rules and Regulations, or to exercise any right or option contained herein, or to serve any notice, or to institute any action or proceeding, shall not be construed as a waiver or relinquishment for the future of any such provisions, options or rights, but such provisions, options or rights shall continue and remain in full force and effect. The receipt by the Management of any monies due hereunder, with knowledge of the breach of any Community rule or provision of the Rental Agreement, shall not be deemed a waiver of such breach, and no waiver by the Management of any provision hereof shall be deemed to have been made unless in a writing, expressly approved by the Board of Directors of Freeport Residential, LLC, and not by any agent thereof, including the Manager.

40. Eviction of Mobile Home and Owner.

Any Resident, Occupant, Tenant, owner of a Mobile Home, or Mobile Home itself may be evicted from this Community based on one (1) or more of the grounds listed in Chapter 723.061, Florida Statutes. These grounds include, but are not limited to:

- (a) Nonpayment of the Rental Amount.
- (b) Conviction of a violation of a federal or state law or local ordinance, which violation may be deemed detrimental to the health, safety, or welfare of other residents of the Community.
- (c) Violation of a Community Rule or Regulation, the Rental Agreement, or the provisions of Chapter 723, Florida Statutes.
- (d) Change in Land Use. Change in the use of the land comprising the Community or the portion thereof from which one (1) or more Mobile Homes are to be removed.
- (e) Failure to become qualified to be a Resident. Failure of the purchaser or other occupant of a Mobile Home situated in the Community to be qualified as, and to obtain approval to become, a tenant.

41. Incorporation with Rental Agreement.

THESE RULES AND REGULATIONS HAVE BEEN INCORPORATED BY REFERENCE INTO THE RENTAL AGREEMENT.

I/WE ACKNOWLEDGE BY SIGNING THAT I/WE HAVE HAD AN OPPORTUNITY TO READ THESE RULES AND REGULATIONS AND AGREE TO ABIDE BY ALL RULES AND REGULATIONS AS AMENDED INCLUDING PROPERLY PROMULGATED FUTURE AMENDMENTS.

7. Payment of Rents. The monthly Lot Rental Amount payments shall be paid promptly on the dates agreed as set forth herein. All payments are payable in check or money order made payable to Freeport Residential, LLC and must be received in the Management office on or before the due date. 9. No Assignments or Subletting. Resident(s) shall not assign the Agreement, or any interest therein or rights thereunder, and shall not sublet the leased premises or any part thereof or allow any other person or persons to occupy or use the leased premises without Riverwalk Landing's express prior written consent. Any assignment or subletting without Riverwalk Landing consent shall be void, and shall constitute a default by Resident(s) under this Agreement.

Resident(s) further agree to comply with all applicable criminal laws. Resident(s) further agree to comply with all governmental regulations concerning the storage and disposal of all forms of hazardous wastes arising from Resident's occupancy of the premises. Should Resident(s) fail to comply with any applicable governmental regulation, Resident(s) specifically agree to be personally liable for all costs, fees, penalties, interest, and charges of any kind whatsoever arising from such failure and to indemnify and hold harmless Riverwalk Landing-a Senior Living Community from all such costs, fees, penalties, interest, and charges.

ATTENTION: ANY VIOLATION OF THIS PROVISION OF THIS AGREEMENT (EVEN IF IT IS THE FIRST VIOLATION) IS GROUND FOR EVICTION AS AN ACT INJURIOUS TO THE OTHER RESIDENTS' HEALTH, SAFETY, AND PEACEFUL ENJOYMENT OF THE COMMUNITY.

13. Compliance with Rules and Regulations. Resident(s) agrees to abide by all Rules and Regulations of the Community and agrees that violation thereof shall be grounds for eviction from the Community. Resident(s) acknowledges having had a reasonable opportunity to read the current Rules and Regulations which are incorporated herein by

reference. Riverwalk Landing and Resident(s) agree that the Rules and Regulations will not be changed without written notification to the Resident(s) at least ninety (90) days prior to implementation. Rule changes adopted as a result of restrictions imposed by governmental entities or those required to protect the public health, safety, and welfare may be enforced prior to the expiration of the ninety (90) day period.

14. Eviction. Riverwalk Landing may evict Resident(s) and/or their mobile home only for the reasons specified in Chapter 723.061, Florida Statutes, the Prospectus, as amended, and the Rules and Regulations, all of which are incorporated herein by reference.

Community's acceptance of one or more late payments shall not constitute a waiver of its right to evict for late payment or non-payment of Lot Rental Amounts in the future.

The parties agree that if Riverwalk Landing determines that Resident(s) is to be evicted for violating a Rule or Regulation of the Community, Riverwalk Landing will first give Resident(s) written notice of such violation and seven (7) days within which to comply with such Rules and Regulations. Thereafter, Riverwalk Landing will deliver written notice of the basis upon which Resident(s) is to be evicted at least thirty (30) days prior to the date Resident(s) is to vacate the premises.

Eviction for violation of a Community Rule or Regulation will be upon the first violation if it is an act that endangered the life, health, safety, property, or peaceful enjoyment of the Community or its residents. Eviction for violations of all other Rules and Regulations will be for the second violation within a twelve (12) month period.

15. Acceleration. In the event of a breach of this Agreement (including the Community's Rules and Regulations or Prospectus) or Chapter 723, Florida Statutes, Riverwalk Landing may, pursuant to section 723.061, Florida Statutes, do any one or more of the following: terminate this Agreement; begin a legal proceeding to regain possession of the land and the mobile home thereon in accordance with Chapter 723; and maintain an action for collection of all accrued lot rental amounts. In addition, Riverwalk Landing may declare the Lot Rental Amount, for the entire term remaining, immediately due and payable and accelerate same and take any other action allowed hereunder, or by law to collect same. Acceleration does not apply in the case of eviction due to a change in land use or failure to become qualified to be a resident.

16. Attorneys' Fees and Costs. If Riverwalk Landing shall, at any time, be required to incur any expenses as a result of a breach of the Agreement or the Rules and Regulations of the Community, whether in consulting with its attorneys in instituting any action or proceeding based upon such default, defending, or asserting a counterclaim in any action or proceeding brought by the Resident(s) or by Riverwalk Landing, the expense thereof to Riverwalk Landing, including its reasonable attorneys' fees and costs (including appellate fees and costs, if any) shall be recovered from the Resident(s) by Riverwalk Landing and shall be fully collectable. As used herein and throughout this Agreement, the term "attorneys' fees and costs" shall be deemed to include all fees and costs of every nature incurred whether by attorneys, paralegals, law clerks, legal assistants, expert witnesses, or others working under the direct supervision of a licensed attorney. Said entitlement to attorneys' fees and costs shall be awardable to the prevailing party pursuant to this Agreement and section 723.068, Florida Statutes.

17. Riverwalk Landing's Access to Premises. Riverwalk Landing shall have

no right or access to Resident(s) mobile home unless the Resident's prior consent has been obtained or to prevent imminent danger to the occupant or to the mobile home. Riverwalk Landing shall, however, have the right of entry onto the lot for purposes of repair and replacement of utilities and protection, repair, maintenance, or improvement of the Community at all reasonable times, but not in such manner or at such time as to interfere unreasonably with the Resident(s) quiet enjoyment of said lot.

18. Riverwalk Landing's Rights. The rights of Riverwalk Landing contained herein are cumulative and failure of Riverwalk Landing to exercise any right shall not operate to forfeit any other rights of Riverwalk Landing. The failure of Riverwalk Landing to insist, in any one or more instances, upon a strict performance of any of the provisions of the lot rental agreement or rules and regulations, or to exercise any right or option contained herein, or to serve any notice, or to institute any action or proceeding, shall not be construed as a waiver or relinquishment for the future of any such provisions, options or rights, but such provisions, options or rights shall continue and remain in full force and effect. The receipt by Riverwalk Landing of any monies due hereunder, with knowledge of the breach of any Community rule or provision of the lot rental agreement, shall not be deemed a waiver of such breach, and no waiver by Riverwalk Landing of any provision hereof shall be deemed to have been made unless in a writing, expressly approved by Board of Directors of Freeport Residential, LLC, not by any agent thereof, including the manager.

19. Interpretation, Headings, Severability, Entire Agreement, Law, and Venue. Where appropriate, words or terms in the singular also include the plural and vice versa so as to take into consideration the total number of Residents that are parties to this Agreement. The headings in this Agreement are provided for convenience only and are not intended to alter the terms of the Agreement in any way. If any provision in this Agreement is found to be unenforceable for any reason, then the parties agree that the offending provisions should be stricken or modified and the remaining provisions of this Agreement should nonetheless be enforced unless doing so would be contrary the overall purpose of this Agreement and the parties intentions. Resident(s) agree that Resident(s) is not relying on any prior written or oral statements of any person in deciding to enter into this Agreement. This Agreement, including the documents incorporated herein by reference, represents the entire agreement between the parties.
