Declaration of operational compliance between Tigo’s TS4 Module Platform and Storz Power inverters

Tigo and Storz Power are pleased to announce that the following product combinations from Storz Power:

- AI+ 50A
- AI+ 70A Smart Access
- AI+ 200A Smart Access
- AI+ Custom Whole Home

are **operationally compatible** and **PVRSS certified for rapid shutdown** with the following TS4 products from Tigo:

TS4-F

TS4-A-F

TS4-A-2F

Tigo and Storz Power have conducted testing and validated the effective performance of the systems together within standard testing environments. Warranties from Storz Power and Tigo will remain valid if the design, installation, and operation requirements are followed for each product.
