**Declaration of Operational Compliance
between Tigo's TS4 Module Platform and Upower Electric Inverters**

Tigo and Upower Electric are pleased to announce that the following Upower Electric inverters:

Energy Storage Inverters:

UHC-4/5/6/8/10/12KT

UHC-10/12/15/20KT-40

are operationally compliant and can successfully operate with the following TS4 products from Tigo:

TS4-A-O, -S, -M

TS4-A-F, -2F

Tigo has validated the effective performance of the systems together within standard testing environment. Warranties from Upower Electric and Tigo will remain valid if the design, installation, and operational requirement is followed for each product.

Contact Tigo Support with any questions regarding Tigo's TS4 Module Platform equipment:
support@tigoenergy.com or (408)-402-0802.
