

Funded Sustainable Farms and Fields Projects Fiscal Year 2023

Pine Creek CD Precision Ag (\$7,000) – This cost share project will help a producer in Whitman County purchase a GPS unit, reducing fuel use.

Snohomish CD Agroforestry (\$76,580) – This cost share project will provide 10 acres of agroforestry plantings on three different farms.

Columbia Basin CD Solids Separator 1 (\$11,250) – This cost share project will support purchase of a manure solids separator for a pig farm.

Columbia Basin CD Solids Separator 2 (\$56,112) – This cost share project will enable the purchase of a manure solids separator for a dairy farm.

Columbia Basin CD No-Till Drill (\$31,250) – This cost share project will aid in the purchase of a no till drill by a producer.

Central Klickitat CD Roller Crimper (\$47,490) – Purchase of a roller crimper to add to the district's equipment rental program.

Lewis CD No-Till Drill (\$49,000) – Purchase of a no-till drill to add to the district's equipment rental program.

Underwood CD Tool Library (\$17,327) – Purchase of multiple tools for addition to the district's tool library.

Pierce CD No-Till Drill (\$12,352) – Purchase of a no-till drill to add to the district's equipment rental program.

Palouse CD Roller Crimper (\$39,154) – Purchase of a roller crimper to add to the district's equipment rental program.

Whatcom CD No-Till Drill (\$22,531) – Purchase of a seed drill to add to the district's equipment rental program.

Okanogan CD No-Till Drill (\$30,135) – Purchase of a no-till drill to add to the district's equipment rental program.

Thurston CD No-Till Drill (\$62,500) - Purchase of a no-till drill to add to the district's equipment rental program.

Columbia Basin CD No-Till Drill (\$45,000) - Purchase of a no-till drill to add to the district's equipment rental program.

South Yakima CD No-Till Drill (\$31,000) - Purchase of a no-till drill to add to the district's equipment rental program.

Pierce CD Pasture & Cover Crop Seed (\$5,000) – This funding will allow the district to purchase cover crop and seeds for pasture/range planting to producers.

Stevens CD Vetter Farm Demonstration Project (\$21,419) – This funding will allow for the purchase of cover crop seed and tree seedlings to be distributed to producers at workshops.

Whatcom CD Cover Crop Seed (\$2,970) – This funding will allow for the purchase of warm weather cover crop seed for distribution to farmers.

Okanogan CD Native Seeds & Shrubs (\$4,808) – This funding will allow for purchase of enough seed to plant 14 acres of rangeland (using no-till drill funded through SFF).

Palouse CD Cover Crop & Pollinator Seed (\$72,529) – This award will allow for purchase of 300 acres of cover crop seed and 40 acres of pollinator seed and staff time to support implementation of project.

Pierce CD Workshop (\$4,000) – This award will cover staff time to hold a workshop on cover crop and no-till seeding.

Clark CD Cover Crop Seed (\$4,000) – This award will support the purchase of cover crop seeds for distribution to producers.

King County Compost Spreader (\$35,000) – This award will go toward the purchase of a compost spreader for use by small-scale producers farming on King County land.

Pine Creek CD Native Grass & Cover Crop Seed (\$5,500) – This award will go toward the purchase of seed for multiple producers.

Columbia Basin CD Compost Spreader (\$20,596) – This cost share project will be used by an orchardist for incorporating use of compost in his operation.

Asotin CD Cover Crop (\$7,600) – This award will support cover cropping by producers.

Central Klickitat CD Cover Crop (\$24,000) – This award will support cover cropping by a beginning farmer.

Eastern Klickitat CD Cover Crop (\$28,847) – This award will support cover cropping in a dryland grain operation.

Eastern Klickitat Precision Ag 1&2 (each \$11,500) – These cost share awards will support purchase of precision guidance systems for two different producers.

Benton CD No-Till Drill (\$35,000) – This cost share award will support purchase of a no-till drill, allowing expansion of no-till practices by a producer.

Asotin County CD Manure Screening & Spreader (\$192,500) – This equipment sharing project will allow the district to purchase equipment for the screening and spreading of manure from beef operations, to aid use of the manure in cropping systems.

Stevens County CD Biochar (\$191,045) – This award will allow 8 producers to test application of biochar on a field scale.

Pierce CD Compost & Fodder Seed (\$66,500) – This award will allow multiple underserved farmers to try compost amendment and will provide seed for no-till planting of barley fodder.

Whatcom CD Fencing (\$10,167) – This cost share award will allow for fencing to improve prescribed grazing on a goat dairy.

Thurston CD Manure Spreader (\$30,848) – This cost share project will allow for purchase of a manure spreader by a producer.

Columbia Basin CD No-Till Drill (\$38,129) – This award will allow for cost share on a no-till drill for an underserved producer.

Skagit CD Biochar (\$28,519) – This award will fund a demonstration project led by Skagit CD in collaboration with Whatcom CD and Kulshan Carbon Trust to work with landowners on small-scale biochar production and application.

Clark CD No-Till Drill (\$28,298) – This award will allow for cost-share on a no-till drill for a producer.

Columbia Basin CD No-Till Drill & GPS (\$96,169) – This award will allow for cost-share on a no-till drill with GPS technology for an underserved producer.

Thurston CD Manure Spreader (\$10,000) – This award will allow the district to purchase a manure spreader for their rental program.

Technical assistance is aimed at working with producers to recommend climate-smart practices, with the potential of developing projects for future SFF funding.

Pierce CD Technical Assistance (\$12,500)

Underwood CD Technical Assistance (\$18,043)

Stevens CD Technical Assistance (\$55,000)

San Juan Islands CD Technical Assistance (\$26,260)

Okanogan CD Technical Assistance (\$50,000)

Whitman CD Technical Assistance (\$14,740)

Spokane CD Technical Assistance (\$86,400)

Clark CD Technical Assistance (\$37,344)

Pend Oreille CD Technical Assistance (\$84,381)

Whidbey Island CD Technical Assistance (\$22,845)

Cascadia CD Technical Assistance (\$4,332)
