

How to Access an Event as an Attendee

Step 1

When you receive an invite link to your first Hopin event, you'll be prompted to create a free Hopin attendee account.

Step 2

Once you've created an account, you'll be able to register for the event by selecting a ticket. You will receive a confirmation email once you've purchased your ticket.

Note: You will have access to the event 5 minutes before the scheduled start time

Step 3

Enter the event by logging into your Hopin account and navigating to the "upcoming events" tab.

Attendee Tips & Tricks:

- ✓ To get the best experience, make sure you are using Google Chrome or Mozilla Firefox.
- ✓ Use the left side panel to navigate through the event. When it's time to move to a new area of Hopin, a live icon will appear over the correct area.
- ✓ If you need to reach the organizer of the event, you can find their contact information on the registration page of the event, at the 'Hosted By' section.
- ✓ After the event, you'll be able to view the contact details for people you choose to connect with during networking. You won't be able to access any other information after the event.
