

The Dearborn Academy GSRP School Goals 2022-2023

Public Act 48 of 2022 section 98b requires districts, traditional public, public school academies, and intermediate districts, who wish to receive state aid for 2022-2023 year to:

- Present, not later than the first board meeting in February 2023 and not later than the last board meeting of the academic year, on accomplishments of established goals.
- Ensure that the information presented to the board is disaggregated by grade level, by student demographics, and by the mode of instruction received by the pupils to which the information applies.
- Post the information through the transparency reporting link located on the district's website.

****Please note: The mode of instruction for all students is fully in-person.****

| Mid-Year Goals: - 90% of GSRP students will score a 4 or above on the problem solving with materials section of the COR. - 90% of GSRP students will score a 4 or above on the phonological awareness section of the COR. | | Winter COR | | | | | Spring COR | | | | |
|---|------------------------|--------------|--------------------------------|--------------|------------------------|--------------|--------------|--------------------------------|--------------|------------------------|--------------|
| | | Total Tested | Problem-Solving with Materials | | Phonological Awareness | | Total Tested | Problem-Solving with Materials | | Phonological Awareness | |
| End of Year Goals: - 95% of GSRP students will score a 5 or above on the problem solving with materials section of the COR. - 95% of GSRP students will score a 5 or above on the phonological awareness section of the COR | | | 4 or Above | 3.9 or Below | 4 or Above | 3.9 or Below | | 5 or Above | 4.9 or Below | 5 or Above | 4.9 or Below |

Explanatory Notes

* Summaries for groups of fewer than 10 students are not shown, as the sample size may be too small for acceptable statistical reliability.

** Calculations not provided because students have no MAP results in at least one of the terms. The Growth Count is zero.

‡Growth Count provided reflects students with MAP results in both the Start and End terms. Observed Growth calculation is based on that student data.

Explanatory Notes

* Summaries for groups of fewer than 10 students are not shown, as the sample size may be too small for acceptable statistical reliability.

** Calculations not provided because students have no MAP results in at least one of the terms. The Growth Count is zero.

‡ Growth Count provided reflects students with MAP results in both the Start and End terms. Observed Growth calculation is based on that student data.

Explanatory Notes

* Summaries for groups of fewer than 10 students are not shown, as the sample size may be too small for acceptable statistical reliability.

** Calculations not provided because students have no MAP results in at least one of the terms. The Growth Count is zero.

† Growth Count provided reflects students with MAP results in both the Start and End terms. Observed Growth calculation is based on that student data.
