

Open Registration Taking Place Now!

Our courses are designed for the entire school year. Each quarter is a continuation of the previous quarter, not a repetition of the previous quarter. The quarterly system is only for the convenience of tuition payments, unrelated to the course structure.

New students are welcome to join our program at any time during the year, as long as seats are available. There is no better or worse time to join the program, as every lesson is a new lesson. The earlier the students join, the more they learn.

When new students joining in the middle of a quarter, tuition will be prorated for the quarter.
