Notes:

- 1) Early bird deadlines and regular tuition deadlines are never extended. Parents are responsible to check school website and pay tuition before each deadline accordingly, regardless of having received an email reminder or not.
- 2) Please check course information and tuition policy for late payment charge and expedited fee.
- 3) Once a payment is made, regardless of when it is paid, there is no refund, credit, time switch, or any kind of adjustment on the payment or schedule under any circumstances (including sick leave and quarantine period, regardless of whether the contact occurred at school or elsewhere).
- 4) If any questions, please contact info@WashingtonInternationalSchool.com. Use email please, as phone call is NOT the best way to get information.
