When is the best time for new students to enroll

新生应该何时入学

- Open enrollment year-round. There is no better or worse time to enroll because our quarterly system is only for the convenience of paying tuition. Course progress is unrelated to the quarterly system as every lesson is a new lesson. Lessons taught in the current quarter will not be repeated in the next quarter. Basically, the earlier to join, the more to learn. For new students starting in the middle of a quarter, we will prorate the tuition for the remaining weeks of that quarter.
- Quarterly calendar is posted at school website. Please note every quarter is 10 weeks.

How to decide the grade Level when enrolling

怎么决定报哪个年级

- Grade level is determined by the student's current grade level in their daily school. Our lessons provide more material and challenge than regular schools, so please do not skip a grade level when registering.
- No assessment test is required for registration, unless the student is significantly behind in their daily schoolwork.

Absence policy

缺课如何处理

- Per tuition policy, there is no refund, credit, makeup lesson, or any fee adjustment for student's absence.
- However, since SAT/ACT (9th-11th Grade) has 3 groups taking the same lesson, it is possible to have a makeup lesson if you get Ms. Layton's approval in advance. You will need to check the Wednesday and Saturday course progress with Ms. Layton carefully because if the lesson you need to make up was already given to the other classes, there will be no way to make it up.
- Please do NOT contact Jayme for makeup lessons. Jayme is unable to arrange it for you.
