STUCCO LUSTRO

Marmorino

.....

STUCCO LUSTRO is a real Italian smooth and shiny marmorino. Composed of very fine filtered aged lime putty and natural components, it is both very easy and very pleasant to apply for very traditional finishes.

Properties

- Ready to use without any addition of water or additives
- Very shiny
- Very breathable
- Self-healing
- Wets and dries out fast
- Naturally mould-resistant
- Time-tested
- 100 % natural and eco-friendly
- Easy to apply directly on lime, lime and cement, gypsum or porous paint
- To be applied in two layers only (wet on wet)

Packaging

5.6-kg buckets
