Trail commission is earned immediately and paid after the next full calendar quarter end. Clients can pay lower sales charges by reaching higher breakpoints through rights of accumulation or a letter of intent. It is important to ensure that you provide the appropriate breakpoint for your clients in accordance with FINRA requirements.

¹The contingent deferred sales charge (CDSC) is applied on withdrawals of shares (where a front-end sales charge was not paid) made within one year of purchase. The amount of trail commission earned is based on the date the money is received by Pacific FundsSM.
