GREETINGS FROM THE K-6 PRINCIPAL

Mr. Weisz is home sick so he has asked me to share a few thoughts with you and I am happy to do so!

As we begin the celebration of National Catholic Schools Week for the 48th year, our thoughts turn to gratitude for the Aberdeen Catholic School System. We remember all those who have come before us, who have played some role in leaving the legacy that formed us into who we are today. We have been blessed beyond measure and we continue to flourish, planting the seeds of Christ's amazing love for us. As a mission of Sacred Heart and St. Mary's parishes, we strive to live our Catholic faith in a real and meaningful way, as we hope to fulfill Bishop DeGrood's vision of "Lifelong Catholic Missionary Discipleship Through God's Love".

Since 1974, National Catholic Schools Week has been an annual celebration of Catholic education in the United States. The theme for 2022 is "Catholic Schools: Faith. **Excellence. Service."** We use this time to come together as a faith community to focus on the value Catholic education provides to young people and its contributions to our church, our communities, and our nation.

The Lord is doing amazing things at Roncalli as He works through our students, staff and families. We humbly ask for your prayers as we continue our mission of providing

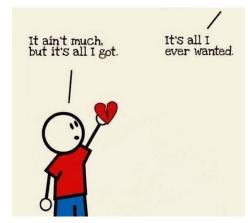

Catholic education in the Aberdeen community.

Our All School Mass will be held in the high school gymnasium on Wed., February 2nd at 8:30 am, and we invite you to join us. His Excellency, The Most Reverend Donald DeGrood, will concelebrate the Mass with our area priests. This is such a special occasion when all of our students gather together to celebrate that which unites us.

"Start children off on the WAY they should go, and even when they are old they WILL NOT turn from it.

Proverbs 22:6

Blessings, Mrs. Tammy Kost K-6 Principal

According to our 2021 Roncalli Parent and Student survey, several of you mentioned our JH/H5 halls were a bit dark - and you are right! Interestingly, when the building first opened there were skylights that flooded the hallways with light. However, due to problems with leaking, they were boarded up several years ago.

We are excited to let you know installation of new lighting for the hallways has been approved, scheduled, and will be happening soon.

In addition, Mrs. Florey is leading a group that will be repainting our halls and other areas this summer. We cannot wait for a little 'refresh' in the JH/H5 building! God Bless!

According to our 2021 Roncalli
Parent Survey, 95% of you are
aware we offer tuition
assistance and scholarships, but
nearly 50% of you did not know we also
have a referral program.

If you refer a family to Roncalli, they indicate your name on their registration, and enroll their children, there is a tuition discount available for you. Please help us show others how God is working through our students, families, faculty and staff at Roncalli. God Bless!

COUNSELORS CORNER

To kick off our new year, our Top 20 committee is striving to make our learning environment at Roncalli a safe and trusted place for our students. This month our theme will be: Focusing on Acceptance and Diversity. We want our students to trust each other and accept others for who they are and where they come from. It is important that we listen to others with open minds and be able to accurately interpret messages that we receive from others. This is a valuable Top 20 skill! Each "Top 20 Tuesday" our schools will challenge our students to do a specific activity that helps them to think about our theme and practice this life lesson.

In our collaboration and professional development time with the Top 20 coaches, it was emphasized that messages that we receive from others impact who we are and what we do. Messages influence our beliefs about ourselves. Each human being is wired with three Core messages that are intended to guide and direct our lives towards fulfillment. These CORE messages have to do with Identity, Worth and Purpose.

During classroom counseling instruction, we will be talking about OPOs/Other People's Opinions and learning how to work with people who have different values, skills and opinions other than our own. OPOs are not who we are unless they ARE POSITIVE! Our future should be shaped by our faith foundation, family values and personal goals that glorify God and NOT other people's opinions. "OPOs should be LET GO!" Let's honor the absent and help other people succeed by accepting people for who they are as well as taking the time to build positive relationships.

This is <u>not</u> necessarily a time that school counselors need to be recognized but a time to know what we can do for our students, staff and families. One of our goals is to help students learn new skills to help them succeed. Though we have very different tasks to accomplish each day, our most important job is working together to help all of the students in this school succeed. As we talk about being "better together," I would like students to remember that embracing our differences makes us so much more interesting. We all have different abilities, different attributes, different interests, different goals, different families, different perspectives. Imagine what a boring world we'd live in if we were all the same. Piglet, of Winnie the Pooh fame, said, "The things that make me different are the things that make me ME."

Please check out our school counselor tab on the school's website for helpful resources - Contact us for questions or concerns.

FINANCIAL AID/SCHOLARSHIP

Annually, Roncalli offers \$100,000 in tuition assistance for K-12 in the form of scholarships and work-study grants to make a Roncalli education even more possible. We invite you to take advantage of this opportunity.

The deadline to apply for the 2022-2023 school year is **MARCH 11.**
