GREETINGS FROM THE ACSS PRESIDENT

Like many of you, my thoughts at this time are with our 23 seniors who graduate on May 15. As I reflect on this group of soon to be alumni, I am struck by the powerful examples of evangelization many of us have witnessed from them. As a whole, they have developed a 'quiet confidence' and demonstrated leadership skills beyond their years. One example of this are the Bible studies being planned this summer. The 2022 seniors will be leading these groups out of their desire to give back to the younger students.

As these young women and men venture out into the world, with all its current challenges, my hope and prayer is they continue to grow and mature into even stronger leaders and women and men of integrity. Thank you parents, we have been honored to partner with you in developing these young men and women. The potential impact they can have in this world is tremendous. Through Christ living in them, they can and hopefully will be a light to all they come in contact with.

I defer to the words of Moses as he advised Joshua before leading the Israelites into the promised land:

"Be strong and of good courage....It is the Lord who goes before you; He will be with you, He will not fail you or forsake you."

Deuteronomy 31:7-8

God bless,

Tim Weisz

ACSS President

THANK YOU

Lumen Christi Missionaries!

Our Lumen Christi Missionaries have made quite the impact on our school this year. They have spent 20+ hours a week at the school meeting with students and joining in on classroom discussions. They have logged countless hours of one-on-one time with students, helping them to come to know the personal love of Jesus. They have led numerous Bible studies and book studies. They have also hosted weekly large group events and helped out on our retreat days. Thank you! Thank you! And God bless you!

Please join us on May 2 as we say farewell to our missionaries.
