## SENIOR STREAM PROJECT

The SeniorSTREAM project this year was to build a table for the Campus Ministry Room. Ben Lohman and Zeezrom Mounga designed, raised money for and built this table. They were supported by The Oil Room, Mr. White, and Mr. Campbell from Town & Country Building Supplies. It is a beautiful table that seats many students allowing them to work together or eat lunch and visit.

## THANK YOU

---

As I reflect on the last 18 years at Roncalli, the only words that come to my mind are blessed and thankful. I have truly enjoyed my years here and will miss everyone immensely.

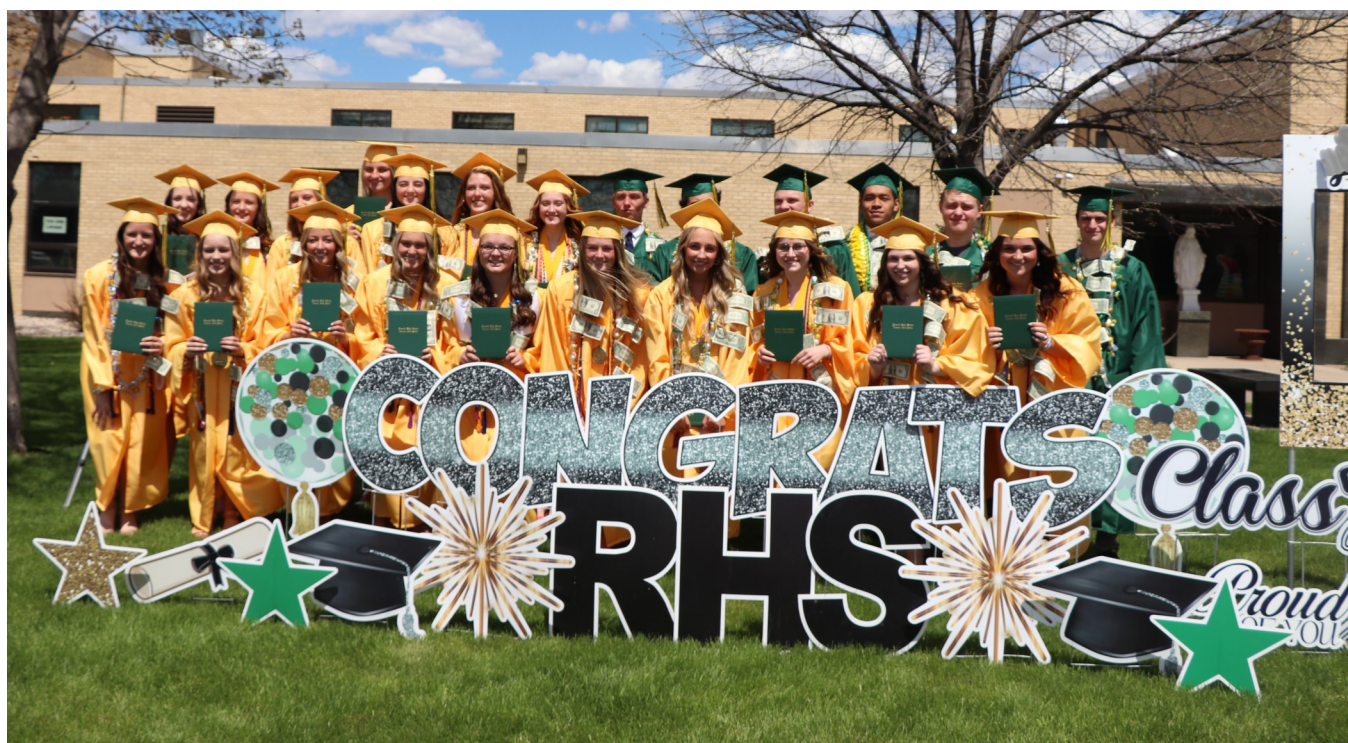

Thank you to the parishes for your financial and prayerful support. We would not be a school without you. Thank you to the donors who provide so much to the school and students. Every day there seems to be a “God” moment when a donor steps forward just when it was needed. Thank you to the administration over the years that have put their heart and soul in to making sure the staff, students and families had what was required to make this school the best it can be. Thank you to all the board members that I have worked with. Each of them have truly provided me with incite and knowledge from all perspectives. Thank you to those who I get to work with each day. Your love for the school and students is evident and warms my heart. I especially thank you, the families of Roncalli. I know the sacrifices that you make in choosing to send your child to Roncalli. I have laughed with you, cried with you, and shared your moments of success and hardships. Trust me when I say that you are making the right decision in sending your child(ren) to Roncalli. Having been a parent, a volunteer, and an employee, I will always encourage people to send their children to this school. Please join with me in encouraging others also. I will miss all of you, but you have a place in my heart. I have always felt that God puts people into my life for a reason. I may not know the reason, but I am thankful that God has put so many into my life these last 18 years. I may not be in an office or on the phone to speak with you, but I will always support Roncalli. May God Bless each of you abundantly and may you always know that you are loved. Go Cavs!
