

THE
GENEVA SCHOOL
OF MANHATTAN

The Geneva School of Manhattan inspires students to love God and love learning through the following core values:

CLASSICAL PEDAGOGY

We believe the best way to understand a topic is to experience, examine, evaluate, question, and even fail at it—this is fundamental to **joyful discovery**. We are devoted to advancing language and reasoning skills by employing a time-proven classical pedagogy that aligns with the natural stages of child development. This purposeful training, led by Geneva School's experienced faculty, instills wisdom and sparks an enduring love of learning.

CHRISTIAN PRINCIPLES

We believe that God is the Author and Creator of all things and that the Bible articulates God's truth to humanity.

At Geneva School students discover the world through the lens of **biblical truth** as a foundation for all of life's pursuits. We esteem each child as created in the image of God, made for his glory, good works (Ephesians 2:10), and a relationship with him.

COMMITTED PARENTS

We believe that deeply **involved parents and guardians** are one of our greatest assets and ensure the nurturing environment we desire for our students. We partner with Christian families and value parental input and involvement. We affirm that educators and parents together promote students' academic success while instilling a cohesive biblical perspective imperative to lifelong faith practices (Proverbs 22:6).

CIVIC PRESENCE

We believe that a Christian community should reflect the multifaceted nature of God and endeavor toward the **peace and prosperity of the city** (Jeremiah 29:7). Our location in the heart of Manhattan is a gift, and we commit to wide-ranging diversity—in ethnicity, geography, faith practices, and socioeconomic backgrounds—to foster the fullest expression of human flourishing and the most complete picture of our Creator.

CONSECRATED PURPOSE

We believe the ultimate goal of academic pursuits is to use one's gifts **for the glory of God and the good of others**. We aim to foster a community that showcases the fruit of the Spirit (Galatians 5:22-23)—love, joy, peace, forbearance, kindness, goodness, faithfulness, gentleness and self-control—so that Geneva School and its graduates are known for strength of character and acts of generosity.
