

PROJECT ANGEL FOOD

ANNUAL REPORT 2016/2017

A WORD FROM OUR LEADERS

We consider Project Angel Food to be a Sanctuary of Goodness.

Everyone who walks in our doors at 922 Vine Street comes here because they want to do their part in making this a more loving and caring world.

Six days a week -- Sunday through Friday -- our 8,000 square foot kitchen is packed with people -- 80 percent of them are volunteers. There's David who comes to us from Santa Monica four days a week, Steven, who is a Wednesday regular and Carol, who's here every Thursday and has been for 25 years straight.

Our Founder Marianne Williamson often says, "We're not just delivering food, we're delivering love." And, when our volunteers pack the meals, they flavor them with love, healing power and compassion.

For 28 years, Project Angel Food has been a beacon of hope for men, women and children in Los Angeles County who are dealing with HIV/AIDS, cancer, heart disease, lung disease and kidney failure. Our clients know that no matter what happens in our government, Project Angel Food will always be their safety net.

That's why your support is more crucial than ever. 98 percent of our clients are living at or below the poverty level. So, not only are they sick, if it wasn't for your support, most of them wouldn't know where their next meal was coming from. Can you imagine living on \$800 a month? That's the reality for many of the people we serve. We are not only helping them heal, we're keeping them in their homes.

We are constantly working to make sure our clients feel the loving arms of Project Angel Food. We conduct annual client surveys and make improvements afterward.

In West Hollywood, many of our clients said they felt food insecure, so we acquired funding from the City of West Hollywood to provide breakfast, lunch and dinner to anyone who qualifies for our program.

Our clients told us because they are sick, the one thing they look forward to every day is a delicious meal and they asked for more variety. So, today we are providing 90 days of unduplicated meals. That means they won't see that dish of quiche and tater tots for another three months.

Our team of professional chefs and registered dietitians constantly work to bring innovation to Project Angel Food and the 1,200 people who rely on us every day. Thanks to grants from County Supervisor Sheila Kuehl and the F.I.S.H. Foundation, we were able to buy a state-of-the-art food label maker. Now the meal labels include all of the ingredients and their suitable diets. Since our meals are flash frozen with no preservatives, these labels are polyester-coated to prevent smudging, smearing and fading when they freeze and thaw.

The 2016-2017 fiscal year culminated with groundbreaking news of Governor Jerry Brown approving our three year state-wide pilot program to prove medically tailored food can reduce hospitalization costs for Medi-Cal populations. As part of the California Food is Medicine Coalition, Project Angel Food and five other sister agencies will be receiving \$2 million per year to implement the program and will be working closely with UCSF and Stanford to develop a research driven model targeting Congestive Heart Failure patients.

And none of this could happen without you. We extend our deepest gratitude.

Sincerely,

Richard Ayoub

ABOUT US

For Life, For Love, For as Long as it takes...

Project Angel Food has served the critically and chronically ill in the Los Angeles community since our inception in 1989. Today, we prepare and deliver more than 11,000 meals every week to people too sick to shop and cook for themselves.

Over this time, Project Angel Food has grown to serve as a reliable lifeline for those diagnosed with life threatening illness. We're the trip to the store, the meal planner, the nutritional advisor, the cook and the smiling face who delivers meals right to their doorstep.

We focus on healing with strength and dignity, operate with the knowledge that food is medicine, and deliver to our clients without fail.

OUR MISSION:

Project Angel Food prepares and delivers healthy meals to feed people impacted by serious illness, bringing comfort and hope every day.

OUR ORGANIZATION

Project Angel Food works to serve those who suffer from critical illnesses in the Los Angeles community. Research shows that food is medicine, and our on-staff dietitians create meal plans tailored to each person's specific disease and medical treatments.

Vans are then loaded with this lifesaving food for delivery across Los Angeles County every morning.

Our objective is simple: Prepare Food, Deliver It, and Save Lives.

CORE VALUES

FIVE KEY INITIATIVES

Health and Wellbeing

Strength and Dignity

Medically-Tailored Food

Delivery and Support

Nutritional Counseling

OUR URBAN GARDENS

Two donated community lots grow fresh organic fruits, herbs and vegetables for our clients. No chemicals, no synthetics. Just real, nourishing food.

OUR KITCHEN

To prepare more than 11,000 medically-tailored meals each week, a passionate team of full-time chefs, interns, externs and volunteers accommodate 39 different, medically-prescribed meal plans. And we have the space to expand our kitchen three times over...that's more than 1.5 million meals a year!

OUR DELIVERIES

Did you know that our food delivery drivers are the only people some clients talk to all week? And these are only a fraction of the potential clients we could reach in the Los Angeles County. With more resources, we can both triple our deliveries and stop to chat with more people than ever.

“We have volunteers who started when they were in high school or college and they keep coming back or they become donors. You know that if they care when they’re 17, they’re certainly going to care when they’re 30.”

— Holly Fishbein,
Volunteer Services Coordinator

VOLUNTEERS AND INTERNS

Project Angel Food is 80% volunteer-driven with 3,402 volunteers donating their time, energy, and skills to Project Angel Food on a yearly basis. These giving people are united by a common goal: to provide nutritious and delicious meals to their most vulnerable neighbors.

Our volunteers are our greatest advocates, and their tremendous acts of generosity promote Project Angel Food’s purpose at every level.

Project Angel Food plans to offer our volunteers even more opportunities in the upcoming year, including developing corporate volunteer programs and establishing a Volunteer Speakers Bureau to do outreach and presentations at health fairs, clinics and community centers.

OUR COMMUNITY EVENTS

In addition to cooking up love in the kitchen, we sell holiday pies for Thanksgiving, strike out against hunger for bowling, auction contemporary art from emerging, established and local artists, and celebrate our success at the biggest night of the year—all to feed those in need. Volunteers, donors, staff, and clients are part of the Project Angel Food family and “food is love” community.

OUR SCHOOL PROGRAM

Every week, L.A. Unified School District students visit Project Angel Food to decorate birthday bags and pack fruit bags for our clients. To our clients, the gifts are uplifting. To the kids, they're just the right thing to do.

“Thank you for the birthday bag I received today, I loved the drawings on it by Samantha, age 11. The drawings really touched me. In fact, they made me cry. Thank you.

“Being a donor just is not enough, you have to put your money where your mouth is. Donating time and money is the right thing to do. I am here every Wednesday cooking, preparing, and packaging meals for those who need it.”
