from AVIONIC INSTRUMENTS INC.

## STATIC INVERTER - PART NUMBER CHANGE

- Effectivity - Static Inverter, Model 1C1000-1A  
(Boeing P/N S282T004-5)  
Serial Numbers BV000152 and on.  
All Production and Spares orders.
- Reason - Administrative changes within the  
Avionic Instruments Inc. computer inventory  
system required that the part number assigned  
to Avionic Instruments Inc., Model 1C1000-1A,  
Static Inverter be changed from 1-001-002-0265  
to 1-002-0102-0265.
- Description - This part number change effective  
Serial No. BV000152 involved changing the  
identification label and notification to  
all customers with this model inverter  
(See Figure 1 for notification letter).  
Also find letter from Boeing to Avionic  
Instruments Inc. approving the part  
number change.(Figure 2.)

DATE: June 12, 1989

SUBJECT: Static Inverter Model 1C1000-1A  
(Boeing Part No. S282T004-5)  
Part Number Change

REFERENCE: 1) Boeing Commercial Airplane Change Approval  
No. 6-5233-03-196 dated January 27, 1989

Attn: Product Support Manager

Static Inverter, Model 1C1000-1A manufactured by Avionic Instruments Inc., Avenel, N. J. 07001, FSCM 10933, was originally assigned the manufacturers part number 1-001-0102-0265. Administrative changes required that this number be changed to 1-002-0102-0265.

The Static Inverter, Model 1C1000-1A, part numbers 1-001-0102-0265 and 1-002-0102-0265 are fully interchangeable in fit, form and function.

A change effectivity summary is outlined in the table below.

<u>Part Number</u>	<u>Serial No. Effectivity</u>
1-001-0102-0265	BV000101 through BV000151
1-002-0102-0265	BV000152 and on

Avionic Instruments Inc certifies that all statements made herein are true and accurate. Please update your records to reflect this part number change.

Very truly yours,

AVIONIC INSTRUMENTS INC.

Avenel, NJ 07001

Subject: **STATIC INVERTER, S282T004-5 MANUFACTURE'S  
PART NUMBER**

Reference: **A.I.I. ECN Number 2461, January 9, 1989**

Gentlemen:

The subject ECN #1461 is approved. This ECN changes the manufacturer's part number from 1-001-0102-0265 for S/N BV000101 through BV000151 to 1-002-0102-0265 for S/N BV000152 and on.

In the future, A.I.I. is requested to coordinate changes of parts and part numbers with Boeing to obtain approval prior to implementing changes.

Very truly yours,

MATERIEL DIVISION
