Does this sound familiar?

Personal documents you've held onto for years, either because you had to or because you didn't know how to destroy them, are cluttering up your space. Old tax returns, credit offers, bank statements, medical records, bills, photo id's and more.

We can help!

You're not alone. The EAFD Auxiliary is bringing Lincoln Archives, Inc to Firemen's Field for a one day FREE public service event.

What to do:

Pack a box or two of your sensitive documents for shredding. Come down to the event between 10am and 1pm to have your papers shredded while you watch!

Staples, clips and folders are fine. Please, no metal file hanger strips.

FIREMENS FIELD
