OLD BUSINESS

- Review resolutions to approve project to realign East Fillmore Avenue, and install sidewalks in the area, in conjunction with the Town of Aurora project to replace the East Fillmore Avenue bridge over Tannery Brook. Village Administrator, Cathie Thomas, listed the projects before the Village Board. The Town of Aurora requested the Village Boards decision on this matter to meet grant funding deadline of December 2023. The project entails replacing the bridge with a two lane bridge; reconfiguring the road, estimated contingent cost of \$113,000; install sidewalks on one side of East Fillmore, contingent cost \$43,000; water main relocation, contingent cost \$60,000. Discussion ensued regarding responsibilities, costs, moving of electric pole, possible tree issues, drainage and timeline of project with input from Dave Gunner, Town Highway Superintendent explaining the need for this project and planning to begin demolition of the bridge in April 2023. Luke Wochensky, Town Board member, stated the Town will meet with Village to review project if desired. Also discussed was the need for written agreement between the Town and Village for these projects that include delineated costs for the Town and Village. The proposed Village resolutions will be shared with the Town.

Motion by Trustee Cameron regarding the water main resolution was rescinded, Trustee Kimmel-Hurt agreed.

The Board made the decision to table matter to allow further review of aspects of project until January 17, 2023 Village Board meeting. Trustee Flynn will not be present at the January meeting, so stated she would not support the installation of sidewalks.

SPEAKERS & COMMUNICATIONS (II)

- Doroda Johnson, 898 East Fillmore – opposed to sidewalks in front of her property, please do not approve the installation of sidewalks. In meeting with Dave Gunner, he stated the residents would not be responsible for cost of sidewalk, Mr. Gunner was not aware of the Village Code regarding the shared cost of sidewalks. Also stated concern with any of her lines being damaged during the project and the drainage on the residents property being affected or damaged. Mayor Mercurio advised sending email with any concerns to the Town and Village.
- Ben Reynolds, 900 East Fillmore – requested Trustees to visit area and get visual of the realignment of the road before a decision is made. This project seemed very emergent, and no plan to look at, makes it difficult for residents to understand the look of the completed area. Village Clerk Treasurer will send plans of the project to Mr. Reynolds.
- Ken Mazur, 865 East Fillmore – opposed to the installation of sidewalks. Believes two-lane bridge will cause an increase in the speed and amount of traffic. Does not want to lose the quaintness, any trees and walkability of the area. If the bridge has to be replaced, would like it to be one-lane bridge. Concerned with any affect the project may have on his drainage.
- Rob Ruffner – requests discussion regarding item 5c on the agenda regarding the culvert structure behind 227 Main Street. Improvements were discussed improving the access to the manhole on the Poked Yolk property.
- Greg Goggins, 813 Martin – saddened by the creation of a two-lane bridge on East Fillmore. Opposes sidewalk installation.

DEPARTMENT HEAD AND TRUSTEE REPORTS

- Police Chief – Carolcade went well, no traffic issues. New part-time dispatcher's is doing great in training. Interviews scheduled for 3 more dispatcher positions.
- DPW Superintendent – plowed and moved snow last weekend, plan to do the same this weekend.
- CEO – nothing
- Clerk-Treasurer – First budget meeting scheduled for Saturday, February 4th at 8:30 am. Police department budget will be discussed at a meeting on February 6th before the Board meeting at 6:00 pm, along with any unfinished department budgets.
- Village Administrator – Home Grown Kitchen special use permit application has been received, the only change is shortened hours of business. It will come before the Village Board at the January 17, 2023 meeting. Whenever a business changes hands, it should apply for special use permit.
Attended NYCOM cannabis training, very well done. December 14th the control board issued proposals for review. NYCOM will be reviewing them. The Village is ahead of the game with the change in Village Code to prohibit drive-through at cannabis dispensaries.
- Trustee Cameron – nothing
- Trustee Kimmel-Hurt – nothing
- Trustee Viger – asked Chief if there will be EpiPen training for officers, Chief Krieger responded they will be trained within the next couple months.
- Trustee Flynn – nothing
- Trustee Lazickas – nothing

- Trustee Scheer – nothing
- Mayor Mercurio – requested a motion to schedule a public hearing to strike the following four words: male and female impersonators from the Village Code.
 - A motion by Trustee Kimmel-Hurt, to set a public hearing on January 17, 2023 to amend Village Code Section 285-60.7 {4}, seconded by Trustee Viger and unanimously approved.

ADJOURNMENT

A Motion was made by Trustee Viger to adjourn the meeting at 8:47 pm. Seconded by Trustee Lazickas and unanimously carried.

Respectfully submitted,

Mary Ann Arnold
Deputy Clerk-Treasurer

*69 Hamlin Ave, EA 14052. Thanks Jim and Debi Suttell

First, we would like to thank the Village for the fine job that the DPW did during and after the storm a month ago. We are fortunate to have such a dedicated crew! Secondly, we would like to voice our thoughts on the Ciderhouse, which is located right down the street from our house. We understand that Lenny, the owner has been requested to speak to your board about his establishment. We think that Lenny is a good neighbor to us and does a fine job keeping things in order there. We support him and hope that he can keep his business operating this location. The Ciderhouse is a great location to watch the world go by on Main St and adds to the vibrant west end! Thank you for your time and have a Merry Christmas! Jim and Debi Suttell

Adopt Local Law 1 of 2023 – Tax Cap Override

Trustee_____, offered the following resolution and moved for its adoption:

WHEREAS, the Board of Trustees of the Village of East Aurora, New York held a public hearing on January 17, 2023, at 7:00 pm in the Council Chambers of the Municipal Building, 585 Oakwood Ave, East Aurora, NY to consider the adoption of a local law authorizing a property tax levy in excess of the limit established in General Municipal Law Section 3-c.

WHEREAS, all persons were given an opportunity to speak for or against this local law;

NOW THEREFORE, BE IT RESOLVED, this local law is hereby adopted.

If adopted, the proposed local law shall read as follows:

Section 1. Legislative Intent

It is the intent of this local law to allow the Village of East Aurora to adopt a budget for the fiscal year commencing June 1, 2023 that requires a real property tax levy in excess of the “tax levy limit” as defined by General Municipal Law Section 3-c.

Section 2. Authority

This local law is adopted pursuant to subdivision 5 of General Municipal Law Section 3-c, which expressly authorizes a local government’s governing body to override the property tax cap for the coming fiscal year by the adoption of a local law approved by a vote of sixty percent (60%) of said governing body.

Section 3: Tax Levy Limit Override

The Board of Trustees of the Village of East Aurora, County of Erie, is hereby authorized to adopt a budget for the fiscal year commencing June 1, 2023 that requires a real property tax levy in excess of the amount otherwise prescribed in General Municipal Law Section 3-c.

Section 4: Severability

If a court determines that any clause, sentence, paragraph, subdivision, or part of this local law or the application thereof to any person, firm or corporation, or circumstance is invalid or unconstitutional, the court’s order or judgment shall not affect, impair, or invalidate the remainder of this local law, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, or part of this local law or in its application to the person, individual, form or corporation or circumstance, directly involved in the controversy in which such judgment or order shall be rendered.

Section 5: Effective date

This local law shall take effect immediately upon filing with the Secretary of State.

The following resolution was seconded by Trustee_____, and duly put to a roll call vote which resulted in the following:

ADOPT LOCAL LAW # OF 2023 – Capital Program

Trustee _____, offered the following resolution and moved for its adoption:

WHEREAS, the Board of Trustees of the Village of East Aurora, New York held a public hearing on January 17, 2023, at 7:00 pm in the Council Chambers of the Municipal Building, 585 Oakwood Ave, East Aurora, NY to consider the adoption of a local law amending the Capital Program section of Village Law.

WHEREAS, all persons were given an opportunity to speak for or against this local law;

NOW THEREFORE, BE IT RESOLVED, this local law is hereby adopted.
If adopted, the proposed local law shall read as follows:

Chapter 9

Capital Program

[HISTORY: Adopted by the Board of Trustees of the Village of East Aurora 2-20-1967 by L.L. No. 1-1967 (Ch. 6 of the 1972 Code). Amendments noted where applicable.]

§ 9-1 Planning and execution of a capital program.

The Village of East Aurora shall undertake the planning and execution of a capital program in accordance with the following provisions.

§ 9-2 Capital program to be plan of proposed capital projects.

A capital program shall be a plan of capital projects proposed to be undertaken during a six-year period, the estimated cost thereof and the proposed method of financing.

§ 9-3 Capital Expenditures Committee created.

[Amended 8-28-1972 by L.L. No. 3-1972; 1-5-1987 by L.L. No. 3-1987]

A Capital Expenditures Committee is hereby created consisting of the following members: two Village Trustees who shall be appointed to the said Committee by the Mayor at the Annual Meeting of the Board of Trustees to serve for a term of one official Village year; one member of the Planning Commission of the Village of East Aurora appointed to said Committee by the said Planning Commission to serve for a term of one official Village year; and three residents of the Village of East Aurora, hereinafter called "resident members," who shall be appointed to said Committee by the Mayor at the Annual Meeting of the Board of Trustees, to serve for a term of three official Village years, except that the respective terms of the resident members of the Committee first appointed thereto shall be for one, two and three official Village years, or fractions thereof, from the time of their appointment. The successors to the said resident members shall be appointed for a term of three official Village years from and after expiration of the term of their respective predecessors on the said Committee. The Mayor shall designate one of the Village Trustees so appointed to the said Committee to be the Chairman thereof.

§ 9-4 **Function of Committee.**

The Capital Expenditures Committee shall assist the Board of Trustees in the planning and execution of the said capital program by receiving from department heads, and other officials, civic groups and interested individuals, written or oral suggestions for capital projects to be undertaken by the Village, reviewing the said suggestions, evaluating the said suggestions in terms of the needs of the Village and developing annually a proposed capital program which will list the recommended capital projects in order of priority based on relative urgency and merit, state the estimated cost of each project and state the proposed method or methods of financing each recommended project.

§ 9-5 **Submission of capital program: information required.**

The Capital Expenditures Committee shall transmit its annual proposed six-year capital program to the Village Clerk-Treasurer by not later than the first day of ~~March~~January. The Village Clerk-Treasurer or the budget officer shall prepare the said capital program and shall submit it to the Board of Trustees with the tentative budget. The said capital program shall be arranged in such manner as to indicate the order of priority and state for each project:

- A. A description of the proposed project and the estimated total cost thereof.
- B. The proposed method of financing, indicating the amount proposed to be financed by direct budgetary appropriation or duly established reserve funds; the amount, if any, estimated to be received from the federal and/or state governments; and the amount to be financed by the issuance of obligations, showing the proposed type or types of obligations, together with the period of probable usefulness for which they are proposed to be issued.
- C. An estimate of the effect, if any, upon operating costs of the municipal corporation within each of the three fiscal years following completion of the project.

D. Nothing herein shall prohibit the Village Board or any Trustee from recommending any capital improvement or program at any time regardless of any review by the Capital Expenditures Committee.

§ 9-6 **Capital project defined.**

[Amended 7-25-1967 by L.L. No. 2-1967; 12-4-1972 by L.L. No. 6-1972]

The term "capital project" as used in this chapter shall mean:

- A. Any physical betterment or improvement, which could including-include, but is not limited to furnishings, machinery, apparatus or equipment for such physical betterment or improvement when first constructed or acquired; or
- B. ~~Any~~Pp preliminary studies or surveys relating to ~~any~~ physical betterment or improvement; or
- C. Land or rights in land; or
- D. Any combination of Subsections **A**, **B** or **C**, provided such physical betterment or improvement, including furnishings, machinery, apparatus or equipment for such physical betterment or improvement when first constructed or acquired, or any preliminary studies or surveys relating to any physical betterment or improvement, or land or rights in land or combination thereof has a period of probable usefulness as established in § 11.00 of the Local Finance Law of five years or more and has a value of more than \$100,000.

~~A capital
project
shall be
established~~

for any
such
capital
asset as
defined in
this
section.

§ 9-7 Amount included in tentative budget.

The Village Clerk-Treasurer, or other officer charged with the preparation of the tentative budget, shall include in the tentative budget the amount proposed for the proposed capital program to be financed by direct budgetary appropriation during the fiscal year to which such tentative budget pertains.

§ 9-8 Summary of financial requirements in budget message.

There shall be included in the budget message, if any, a general summary of the financial requirements for the capital program for the fiscal year to which the budget message related. Additional comments and recommendations of any other board, officer or agency may also be included in the budget message.

§ 9-9 Adoption of program after review and revisions.

The Board of Trustees shall adopt the capital program after review and revisions, if any. This approval shall take place as soon as possible after the Capital plan is turned into the clerk-treasurer on or about January 1, each year. The capital plan will be used to help guide the development of the budget. The public hearing for the Budget will allow for resident comments on how the capital plan is affecting the years budget and spending. The provisions of any law relating to a public hearing on the tentative budget shall apply to the capital program. The capital program, after the required hearing, shall be adopted at the same time as the tentative budget is adopted by the affirmative vote of a majority of the total membership of the Board of Trustees. In the event that the Board of Trustees shall fail to adopt a capital program on or before the first day of March, the proposed capital program, with such changes, alterations and revisions as shall have been made by resolution of the Board of Trustees, shall constitute the capital program of the Village of East Aurora for the ensuing six-year period. Nothing herein shall prohibit the Board of Trustees from modifying such plan from time to time as may be expedient.

§ 9-10 Amendments, additions, modifications.

At any time after the adoption of the capital program, the Board of Trustees by a majority vote of the total membership may amend the capital program by adding, modifying or abandoning the capital projects or by modifying the methods of financing. No capital project shall be authorized or undertaken unless it is included in the capital program as adopted or amended.

§ 9-11 Copy of program transmitted to Capital Expenditures Committee.

A copy of the adopted capital program and any amendment or revision of said capital program shall be transmitted to the Capital Expenditures Committee within two weeks after its adoption, amendment or revision, as the case may be.

§ 9-12 Preparation of parts of program.

In preparing its annual proposed six-year capital program to be transmitted to the Village Clerk-Treasurer in accordance with § 9-5 of this chapter, the Capital Expenditures Committee shall concern itself primarily with the preparation of a new last, or sixth, year portion thereof to be added to the second through sixth year portion of the preceding capital program as adopted and amended as provided herein, which portion shall become the first through fifth year portion of the new proposed six-year capital program; provided, however, that the said Capital Expenditures Committee may submit proposed changes in the said carried over portion of the preceding capital program, together with written reasons for said proposed changes, for the consideration of the Board of Trustees.

Effective date

This local law shall take effect immediately upon filing with the Secretary of State.

The following resolution was seconded by Trustee_____, and duly put to a roll call vote which resulted in the following:

**Resolution of the East Aurora Village Board Acknowledging a Project the
Town of Aurora Intends to Construct to Replace the One-Lane Structure Over
Tannery Brook on East Fillmore Avenue with a New Two-Lane Structure, with Village
Participation in the Project to Include Replacement of an Existing Waterline**

WHEREAS, the Aurora Town Highway Superintendent informed the Village Board that the Town has obtained grant funding from the State to replace the one-lane structure over Tannery Brook on East Fillmore Avenue with a new two-lane structure and that the Town plans to undertake this project in the construction season of 2023; and

WHEREAS, the Aurora Town Highway Superintendent informed the Village Board that one other component of this project could include the replacement of an existing waterline on East Fillmore Avenue, of which the Village would be responsible for funding this one added component; and

WHEREAS, the Town has provided the Village with an estimate from a professional engineer for the cost of the waterline replacement, which estimate is a total of \$60,000 with 15% contingency included.

NOW, THEREFORE, BE IT RESOLVED, that the Village Board hereby acknowledges that the Town shall proceed with their project to replace the one-lane structure over Tannery Brook on East Fillmore Avenue with a new two-lane structure, and the Village shall join with the Town for the project to replace the existing waterline on East Fillmore Avenue, with the following conditions:

- 1) The Town shall pay all engineering expenses for all components of the project.
- 2) When the bids are received, the engineer for the Town shall calculate from the unit prices submitted the total separate amounts for the various components of the project: (1) the structure over Tannery Brook; (2) the waterline replacement; (3) the road realignment.
- 3) The Village agrees that they shall participate with the Town in the structure replacement project over Tannery Brook and fund the cost of the portion of the project that is the waterline replacement on East Fillmore Avenue, provided that the cost for the segment of the waterline replacement does not exceed \$70,000. In the event, however, that the bids from contractors for the segment of the waterline replacement exceeds \$70,000, then the Village shall have the option to discontinue participation in this project concerning the component of the waterline replacement.
- 4) The Town shall ensure that all post-construction conditions on private properties adjoining the project shall be the same as pre-construction, including drainage impacts and connections from private structures to public utilities.

- 5) The Village shall have no obligation to pay any amounts over the original bid submitted for that part of the project that is the waterline replacement that may arise as a result of change orders, or any other factors, during construction of the project. Should any change orders be proposed for any part of the waterline replacement that is the responsibility of the Village, the Town shall notify the Village *in writing, in advance*, along with providing all supporting documentation. The Village shall review said documentation and decide and inform the Town, in writing, if the Village approves of, and is willing to pay the added costs for, said change orders.
- 6) The Town shall pay all invoices due on the project. For any invoices paid by the Town for amounts that are the responsibility of the Village, the Town shall provide all pertinent documentation to the Village so that the Village may reimburse the Town through the normal voucher payment process. Requests the Town makes to the Village for reimbursements, and payments made to the Town by the Village, shall be within the 2023-24 fiscal year of the Village, from June 1, 2023 through May 31, 2024.
- 7) Approval of this Resolution is subject to the execution of a written agreement between the Village and Town, which agreement shall contain the above conditions and any other terms and conditions that the Village and Town may jointly approve, including, but not limited to:
- the Village retaining the right to perform inspections on work as it progresses and at its conclusion;
 - that maintenance bonds shall be issued to the Village for the waterline replacement;
 - the Town's understanding that all costs related to the expense for relocating the utility pole shall be borne by the utility company;
 - the Town shall inform the Village of all trees to be removed for the project, which information shall be reviewed by the Village Tree Board. Post-construction, the Village shall have the option to plant new replacement trees in areas where it was necessary to remove existing trees.

BUILDING DEPARTMENT
(716) 652-7591

MEMO

TO: Mayor Mercurio and Village Trustees
FROM: Elizabeth Cassidy, Code Enforcement Officer
DATE: January 3, 2023

The Building Department has accepted an amended Special Use Permit for the Aurora Cider House at 198 Main St. Business owner Lenny Ciolek is requesting outdoor seating and outdoor music.

Village Code section 285-51.5 requires the Village Board to refer the Special Use Permit application to the Planning Commission for their review and recommendation. The Village Board shall then schedule a public hearing prior to the SEQR determination and decision.

Village Code section 285-50.4C requires the Village to submit the application to Erie County Department of Environment and Planning for their review and comment due to proximity to a State highway (Main St/20A).

This is an Unlisted action for purposes of SEQR.

If you have any questions, please contact me at 652-7591.

Subject: Amended Special use permit

Dear Liz:

The Fishers(*herewith copied*) instructed me to send you this email on their behalf acknowledging that they are both aware of the amended special use permit for 198 Main Street and are ok with those changes.

Changes include:

Outside seating to include 7 picnic benches, 8 adirondack style chairs and one park bench.

Outside Music to include one to two acoustic style performers positioned either at the front or the side of the building. Music will be on Fridays from 7-10 PM and will run from memorial day through Lab Day (*weather permitting*).

Please let me know if you have any questions or concerns.

Cheers,

Lenny Ciolek

RE: Amendment to Special use Permit.

Town of Aurora Building Department

Please find attached revisions to our original Special Use permit filed on 8/29/2018.

At the time of the filing we had no immediate plans to have any outside seating or music outside of our original indoor space. During Covid we were not allowed to serve inside our building or have any entertainment and revised our planning of provided both outside seating and added music. We do not however revise our original special use permit and of course the Town worked with retailers to help them survive during this unusual time.

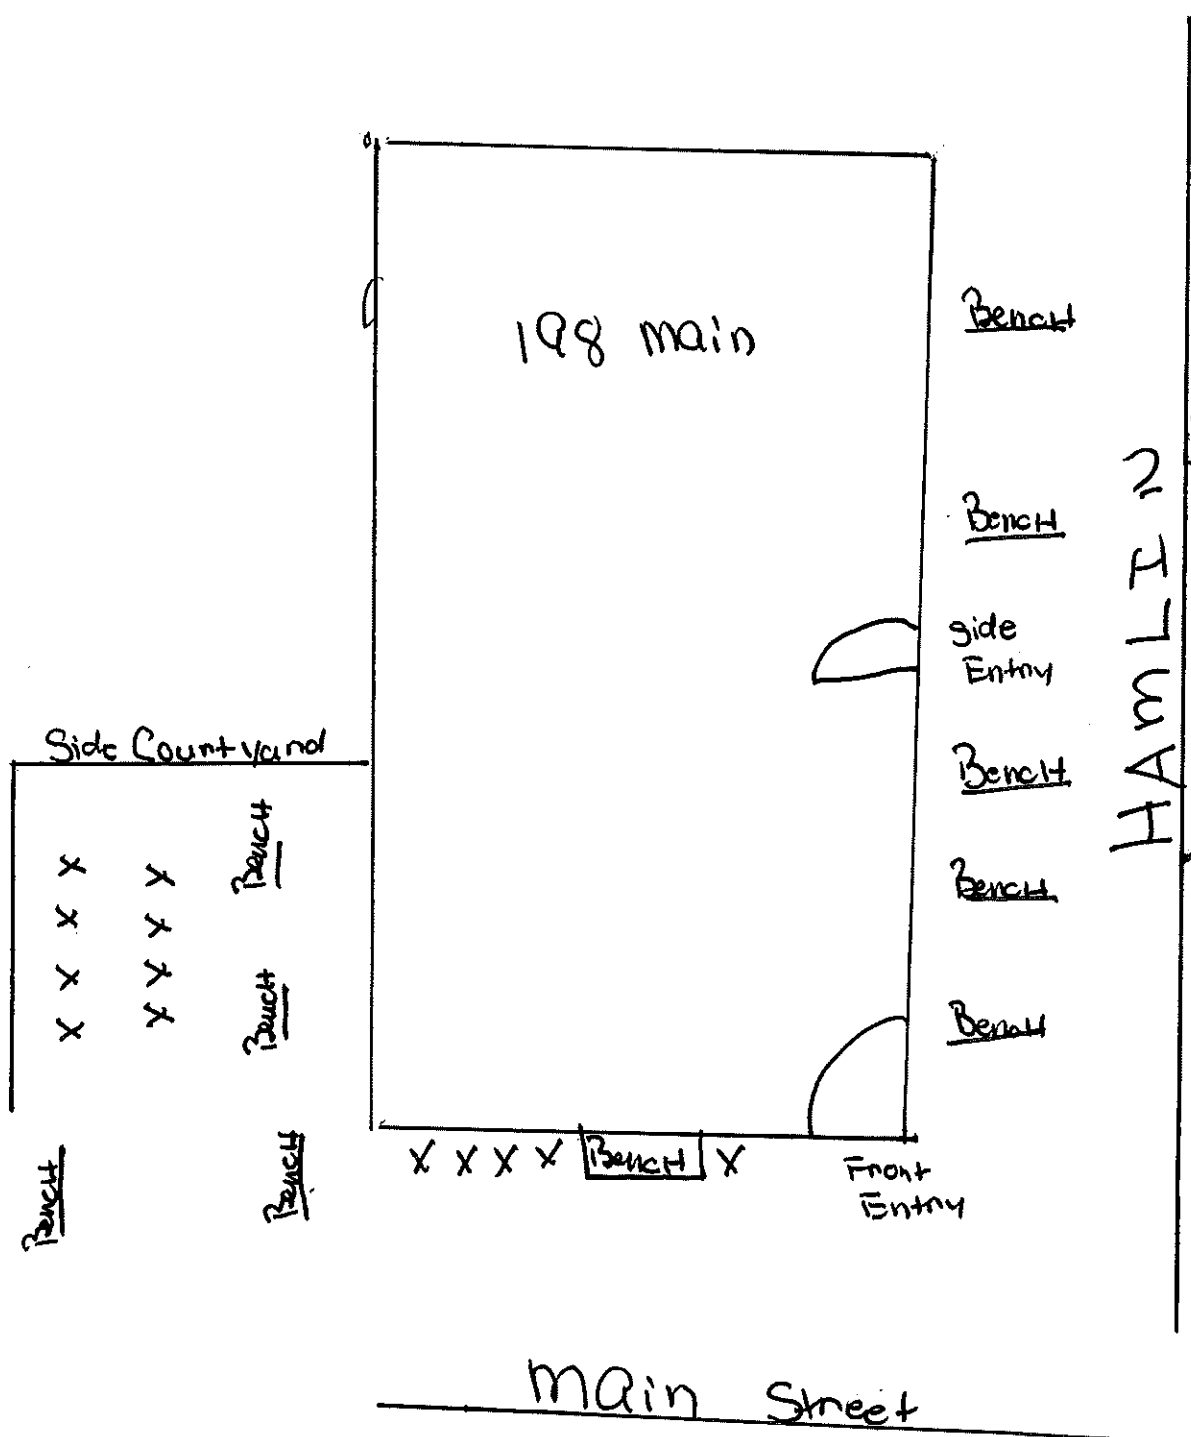

We have since revised our permit to include both outside seating (Diagram Attached) and outdoor music every Friday from Memorial Day through Labor Day (weather permitting)

The Aurora Cider House has become a very popular neighborhood establishment and favorite spot of the community. We participate in with local and private groups and have sponsored events to include but not limited to. East Aurora Police Golf outing, EA Runners club and Turkey trot donating proceeds to the EA Boys and Girls Club, Hawk Creek, Benefits for Roswell Park and Wigs for Kids to mention a few.

Offering Outside seating and Outdoor music has become a very popular addition to the West end of town and we are hopeful we can be officially approved for these special use revisions.

Cheers,

Aurora Cider House

BUILDING DEPARTMENT

(716) 652-7591

MEMO

TO: Mayor Mercurio and Village Trustees

FROM: Elizabeth Cassidy, Code Enforcement Officer

DATE: January 11, 2023

The Building Department has accepted a Special Use Permit for the Bar at Main and Hamlin at 198 Main St. Future business owners Andrew Miller and Joseph Mocelle will be taking ownership of the Aurora Cider House in early March. They are requesting the same approvals listed in the amendment to the Special Use Permit application submitted by Aurora Cider House owner Lenny Ciolek.

Village Code section 285-51.5 requires the Village Board to refer the Special Use Permit application to the Planning Commission for their review and recommendation. The Village Board shall then schedule a public hearing prior to the SEQR determination and decision.

Village Code section 285-50.4C requires the Village to submit the application to Erie County Department of Environment and Planning for their review and comment due to proximity to a State highway (Main St/20A).

This is an Unlisted action for purposes of SEQR.

If you have any questions, please contact me at 652-7591.

East Aurora, NY 14052

January 9, 2022

To Whom it may concern,

For over a decade, Joseph Morcelle and Andrew Miller have been entrenched in the service industry of East Aurora. An opportunity arose to purchase the bar, currently known as The Aurora Cider House, located at 198 Main Street, and the two of us are ready to take advantage of that opportunity. The plan is to take over the current bar and its contents by March 1st, upgrade to a full liquor license, and add a kitchen in the bar for food service. We will be leasing the first floor of the building from the current owner. Hours of operation tentatively plan to be 4:00 p.m. to 2:00 a.m. We do not envision the need for a large number of employees due to the plan for Joe and Andy to be immersed in the day-to-day operations of the business. A maximum of 10 employees may be the best prediction at the beginning of this venture. Current certificate of occupancy is set at 43 persons, and we do not intend to increase the size of the space. Current outdoor garden/patio area exists, and we plan to use current special use permits, submitted for approval by current owner, for that area. The building provides 7 to 10 parking spaces behind the building, and we hope to utilize main street and other village parking for our customers. Attached are drawings that show the interior plan, as well as the outdoor seating area proposed.

We are incredibly excited and grateful for the opportunity to continue to serve our community.

Sincerely,

Andrew Miller

Joseph Morcelle

The Proposed special use permit will satisfy all of the requirements relating to the specific use proposed, and will be generally consistent with the goals of the Village Comprehensive Plan.

The permit will also satisfy the following:

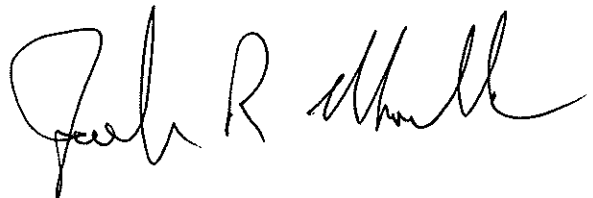

- Be compatible with existing uses adjacent to and near the property
- Will not create a hazard to health, safety or the general welfare of the public.
- No alterations to disrupt the essential character of the neighborhood nor be detrimental to the neighborhood residents.
- Will not be a nuisance to neighboring land uses in terms of the production or objectionable noise, dust, glare, odor, refuse, fumes, vibrations, unsightliness, contamination or other similar conditions.
- Will not cause undue harm to or destroy existing natural features on the site or in the surrounding area or cause adverse environmental impacts such as significant erosion and/or sedimentation, slope destruction, flooding or ponding of water, or degradation of water quality.
- Will not destroy or adversely impact significant historic and/or cultural resource sites.
- Will provide adequate landscaping, screening or buffering between adjacent uses which are incompatible with the proposed project.
- Will not otherwise be detrimental to the public convenience and welfare.

**Please see attached SEQDR Documentation as it pertains to this application.
