Conrad Bora Bora Nui is home to an unique Spa experience, the Hina Spa.

Hina Spa is unparalleled in Bora Bora, offering luxury products, breathtaking views, world class service and treatments.

Where life demands the exceptional, Hina Spa delivers a luxury retreat for those who appreciate the finer things. Perched on a hilltop, Hina Spa is a haven of comfort and beauty with breathtaking views. This soulful place, nestled in volcanic rock, will bring you energy and serenity.

Hina Spa is named after the goddess Hina. In legends, Hina is always presented as the ambassador of beauty, charm, sweetness, well-being and joie de vivre. On most islands and in different versions, she is also said to be at the origin of the coconut tree, the indispensable nurturing tree of all Ma'ohi people. Hina, whose presence can be felt in the shimmer of a moon-ray or in the rustle of a coconut palm, remains the symbol of serenity and well-being.

## SPA PRODUCTS

### Elemis

For our facial care, we have chosen the Elemis Brand.

Elemis have been leading the way in innovative, professional therapies and formulations for over 25 years. Elemis is the #1 Luxury British Skincare Brand. Their team of highly experienced therapists is trained to intuitively nurture the wellbeing of guests, treat their skin and achieve tailor-made results.

## **Polynesian Local Products**

In Polynesia, monoi oil is used every day, for its benefits on the skin, on the hair, for relaxation as part of massages and to moisturize the whole body.

For our body massage in Hina Spa, customers are able to choose different flavors of Monoï such as coconut, tiare, vanilla or frangipani.

For healing virtues, we use too tamanu oil, very used in Bora Bora. Tamanu oil has been used traditionally as a local medicine, and is sometimes considered the Polynesian panacea. All parts of the plant (ie, bark, leaves, seeds) have been used medically as antiseptics, astringents, expectorants, diuretics, and purgatives. The oil possesses antimicrobial and antiviral activity.

For the scrubs, our spa therapists use the volcanic black sand of Tahiti, the white sand of Bora Bora, or the pink sand of The Tuamotus islands.
