

Podere Gianni Gagliardo

Nebbiolo DaBatie DOC, 2020 Piemonte, Italy

Wine Details

Harvested in October. 10 days of maceration with 100% malolactic fermentation. Aged for a few months in stainless steel before bottling. The sandy soil of the Roero area from which it comes characterizes and distinguishes it from most of the other Langhe Nebbiolo. DaBatie is in fact a particularly gentle and savory expression of the Nebbiolo grape.
